

Dear Members,

We missed everyone who couldn't join us at the Holi Celebration. It was a great turnout. We all had a great time, wish you all could have come. Special thank you to those who devoted their valuable time- the food was delicious.

There is a saying in Hindi,

“अच्चे दीन नहि रहे तो बुरे दीन भी नहि रहेगें”

Which translates to, *“if the good days didn't last then the bad days certainly wouldn't last either.”* Now that most of us are vaccinated, things are finally looking up. All thanks to the scientists who worked day and night to make this vaccine.

It has been over two year since we all got together for a picnic. Our annual picnic has always been an enjoyable event, because it keeps the mind and body refreshed and healthy. Picnicking with friends and family is a way for all of us to come together, spend time, and have a little fun. It makes life happier and relaxed.

This year's picnic has been organized by your committee members who devote their personal time for everyone to enjoy. We ask everyone to join this most celebrated event.

<u>DATE:</u>	Saturday April 24th, 2021
<u>TIME:</u>	2PM - SUNSET
<u>LOCATION:</u>	MILBURN PARK 1901 Sun Chase Blvd, Cedar Park, TX 78613

Your committee has chosen this park because it offers something for everyone. This park has everything we can wish for. Elizabeth Milburn community park consists of 42.4 acres that includes a playground, picnic tables, a large picnic shelter, small picnic shelters, barbecue pits, one-mile walking / jogging trail, sand volleyball courts, a basketball court, tennis courts, washer pits, restrooms, soccer fields, open field space, baseball backstops, community garden, 4/10-mile veloway, a recreational BMX track, a swimming pool and a new rock-climbing wall!

Picnic is not a picnic without great food and drinks. Generally, we invite friends and family over for dinner or lunch. Due to the pandemic, we have not been able to do that. How's this for an idea? Sponsor an item of your liking and that can represent you feeding your friends and family. Please potluck any items on the menu by clicking link below OR text/call Ashmita (682) 300-3001 or Yogesh at (512) 773-5661.

Important Note

Please use your good judgement if you are planning to join us for Picnic. Face mask is mandatory. Temperature will be checked.

Everyone is at risk for getting COVID-19 if they are exposed to the virus. Some people are more likely than others to become severely ill, which means that they may require hospitalization, intensive care, or a ventilator to help them breathe, or they may even die. We ask members at higher risk of severe illness limit their exposure risk by remote participation.

If you plan to be present at the Picnic, it is implied that you assume all the risks involved with attending such an event.
