The Honorable
Ron DeSantis
Governor of Florida
State of Florida
The Capitol
400 S. Monroe St.
Tallahassee, FL 32399-0001

Dear Governor Ron DeSantis:

This is an official call on behalf of all Floridians, all Florida Patriots, and all True Americans throughout the USA for you to begin the process of organizing the Florida Militia, communicating with other Patriotic Governors, and orchestrating SMART Action Plans for eliminating the communists that have infiltrated and hijacked the government of the United States of America.

Everything that has been written and published on the Homepage of RighteousArmy.org represents the position of all genuine Conservatives, Christians, Patriots, Truthers and True Americans. The 12 hours documentary, Europa: The Last Battle, which can be viewed on the Videos page of that website, provides a great wealth of additional information that substantiates our need to prepare for battle in order that we might save our Republic.

There exists a group of persons within this world that is made up of several wealthy elite families whose long-term objective is total world domination and complete control over all of humanity. They intend to use technologies to achieve that goal. We have made abundantly clear at TheBigVirusHoax.com that they are using completely bogus and unscientific concepts of alleged and so-called "viruses" to manipulate and control people through ignorance and fear. They are using sophisticated psychological operations, which are being heralded through the mainstream media corporations that they own and control, to push false narratives that enable them to more easily strip people of their God-given Inalienable Rights. They are using vaccinations as a delivery system to inject ever-evolving technologies into people. Their so-called "booster shots" are nothing more than technological upgrades. They will use their technologies in conjunction with vaccinations to tag, track, and monitor every aspect of every person's life. They will also be able to send out frequencies that will stimulate the injected technologies in ways that will enable them to make people sick and/or kill them. It is their solution to future Race and population control.

This is an official and sincere request for you to begin organizing and training the Florida Militia, which according to Florida Statute 250.02 includes every able-bodied Floridian. We have been bombarding you with phone calls, emails, Facebook comments, Twitter tweets, videos, and snail mail throughout 2020 and 2021 providing you with information concerning the Truth about what so-called "viruses" are and what they are not, the reality of the dangers of unhealthy, poisonous, and deadly vaccines, and pointing you to all of the Laws that protect our God-given Inalienable Rights, including our Declaration of Independence, Constitution of the United States, Bill of Rights, Federal Civil Rights, the Americans with Disabilities Act, 42 U.S. Code, 18 U.S. Code, the Universal Declaration of Human Rights, and the International Bill of Human Rights.

You have clearly been stepping up to the plate to defend the God-given Inalienable Rights of your constituents throughout Florida. But our Rights and the Laws that protect them have been being politicized over the last several years, especially during the "Coronavirus Global Pandemic," PLAN-demic, SCAM-demic, HOAX. EXAMPLE: Let's say you get voted out of office, most likely through rigged voting machines as occurred during the 2020 Presidential Election. Does that mean some Democrat governor can step in and start violating our Rights again? They have created the illusion that depending upon what political party holds office determines whether our Rights are preserved and protected. That is BULLSHIT. That is clearly what is happening throughout our Nation. Democrats are holding entire States hostage. Even some uninformed Republican politicians are doing the same. But is it really because they are uninformed, or because they are being bribed, bought off, and paid for by the same communists who are bribing, buying off, and paying for our CORRUPT "Career Politicians" in Washington, D.C.?

It is time to fight back against the communists who have orchestrated this assault upon our Nation and the world. It is time to arrest them and hold them accountable.

These are the same people who own and control all forms of media, including Hollywood, television programming, cartoons, the music industry, music videos, video games, advertising agencies, etc., which they have used to demoralize, putrefy, and destroy the minds of our children and youth throughout the USA and throughout the world. It is time to clean up the USA and this world. This Godly task can and should be a surgical operation. But to the extent that these New World Order One World Government Communist Globalist Elites have all the money and can put together their own army, we should be prepared to do battle on some small scale.

There is no need for Nations to rise against Nations. The same New World Order One World Government Communists created the industrial war complex and have pitted Nations against Nations over the past 200 years. Did you know that the Rothschild family funded every single war since the Napoleonic wars of 1803 to 1815? Now they are in the process of taking down the USA. The Militia MUST rise.

We have faith and confidence in your ability to do the job and do it right. You are standing out above all the Governors in our Nation. You have proven to be a good man. Considering the momentum of evil it is time for Good men to be exceedingly great men. You, Governor Ron DeSantis, have an opportunity not just to save Florida, not just to save the Nation, but to save the entire world. You can choose to be the man that will be remembered as no less of a hero than David who cut off Goliath's head 3,100 years ago. You are the man to get the momentum needed to defeat the evil agenda that is upon us. There are more than enough people who can think for themselves that are ready to fight. More than enough who will gladly risk death rather than see evil continue in the USA.

I would not definitively state that Donald J. Trump was, or is, a Deep State Operative. But it can be strongly argued with an abundance of persuasive information that he was commissioned to run on a very pro-American platform and rally True American Patriots across our Nation so they could be sized up, seen for their numbers, strengths, and weaknesses, and labeled as "White Supremacists," "Domestic Terrorists," and "Seditionists," which is precisely what happened to the American people under his watch, in order that the New World Order One World Government Communists might carry onward with their "Globalist Agenda" unimpeded. Donald J. Trump is not going to save America. Only We The People can do that.

Per our Declaration of Independence: "Governments are instituted among Men, deriving their just powers from the *consent* of the governed, --That whenever any Form of Government becomes destructive of these ends, it is the *Right* of the People to *alter or to abolish it*, and to institute *new Government*, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their *Safety* and *Happiness*."

This is an official call for you to begin the process of organizing the Florida Militia, communicating with other Patriotic Governors, and orchestrating SMART Action Plans for eliminating the communists that have infiltrated and hijacked the Federal Government of the United States of America. The rest of this world needs the USA right now too. They need a Righteous Army to save them!

We The People Are The Militia!

Sincerely,

We The People Of The Great State Of Florida
