About MENASA Group

MENASA Group, a registered nonprofit organization in Texas, USA, is dedicated to advancing clinical research representation for MENASA communities. We provide a proprietary global platform that connects over 2.5 million healthcare providers, offering unparalleled access to opportunities and resources.

Your Global Digital Passport (GDP) Wallet

As a member of our network, you'll gain access to your personalized Global Digital Passport (GDP) wallet. This secure digital hub stores all your certifications and resumes, reviewed annually for accuracy and compliance.

Program Highlights

Global Reach: Our Program applies to clinical sites worldwide, with specific applicability to the United States, Middle East, North Africa, and South Asia regions.

Data Ownership: All physician and site-related data and certifications are securely housed within the MENASA Group proprietary platform.

Confidentiality: We maintain strict confidentiality regarding all proprietary information and sponsor relationships.

Contract Duration: Initial term of two (2) years, with automatic annual renewals.

MENASA Global Site Network
