

Questions About the time span from February 9, 2025 to Summer of 2028 & the Fourth Beast Empire (U.S.) being destroyed

By Pastor Ed Anderson

The time span identified as "a time, two times, and half a time" began on February 9, 2025. It will come to an end in the summer of 2028. The Fourth Beast Empire will be destroyed.

All the exposition work has been done for you. All that I am asking for is a fair hearing.

Answer:

Thanks for sharing your perspective. I appreciate the time you've put into studying prophecy.

That said, I hold to the **historicist interpretation** of Daniel 7 — where the "time, times, and half a time" (1,260 prophetic days/years) represents a long prophetic era fulfilled during the medieval period, not a literal three-and-a-half-year period beginning in 2025. The "Fourth Beast" of Daniel points to a succession of world powers culminating in Rome, not a modern-day political alliance.

Setting new prophetic dates can distract from the central message of Daniel and Revelation — that **Jesus is reigning now and will return soon**, and that our task is to stay faithful, proclaim the gospel, and live ready.

If you'd like, I can walk through Daniel 2, 7, and Revelation 13 verse-by-verse in the historicist sequence to show how prophecy points to Christ, not contemporary date setting. Would you be open to th
