

Questions About What Bible Says About Aliens in Universe

By Pastor Ed Anderson

What does the Bible say if there's other life or aliens in our universe or galaxies...?
I always thought aliens were the devils evil forces.

Answer:

That's a deep and fascinating question—and one that many Christians are asking today in light of science, UFO sightings, and modern speculation. Let's explore your question from **three key angles: what the Bible says, how to discern spiritual deception, and what role aliens might play in end-time deception.**

1. What Does the Bible Say About Other Life in the Universe?

The Bible **does not specifically mention “aliens” or extraterrestrials** in the way modern culture defines them—beings from other planets with spacecraft. However, there are hints that **other unfallen beings** may exist outside Earth:

Biblical Hints of Other Created Beings:

- **Job 1:6** — *“Now there was a day when the sons of God came to present themselves before the Lord, and Satan also came among them.”*
- Many Bible scholars believe “sons of God” here refers to **representatives of other created worlds**, not angels.
- **Job 38:7** — *“When the morning stars sang together, and all the sons of God shouted for joy...”*
- This is a poetic reference to other beings celebrating creation—before humanity.
- **Hebrews 1:2** — *“Through whom also He made the worlds.”*
- “Worlds” (plural) suggests that God created more than just Earth.

Summary: These verses suggest that there may be other inhabited realms—but the Bible is **deliberately silent** on their nature, likely because our focus is to be on **Earth's story of redemption.**

2. Are Aliens Actually Demons in Disguise?

You're not alone in thinking that **"aliens" might be demonic manifestations**. Many conservative Bible scholars and Christian thinkers agree. Why?

Aliens as a Deceptive End-Time Tool:

- **2 Thessalonians 2:9–10** — *"The coming of the lawless one is according to the working of Satan, with all power, signs, and lying wonders."*
- Satan is capable of creating **deceptive manifestations** that appear supernatural or otherworldly.
- **Galatians 1:8** — *"But even if we or an angel from heaven preach any other gospel to you... let him be accursed."*
- Even "good-seeming" beings can deceive.

Alien abductions, UFO sightings, and messages from "space brothers" often contain:

- Anti-biblical theology
- New Age or occult elements
- False doctrines about salvation, Jesus, or the soul

Conclusion: Many believe these so-called aliens are actually **fallen angels (demons)** who will be used to **deceive the world**, especially during the final crisis.

3. The Role of "Aliens" in End-Time Prophecy

In the last days, deception will be so strong that it could deceive even God's people (Matthew 24:24). One **plausible scenario** that aligns with prophecy is:

"Aliens" may be part of a final deception to:

- Distract from Christ's second coming
- Introduce a false gospel or "new truth"
- Lead people to unite under a one-world religion or government

This could be Satan's **"lying wonders"** to explain away the **rapture**, to appear as messengers of peace, or to impersonate Christ Himself.

Final Thoughts

- The Bible teaches **we are not alone**, but our focus must stay on **Christ, the cross, and the final message to Earth**.
- Whether there are other created beings or not, **aliens showing up today are NOT from God**.
 - Don't be deceived by **UFO hype, alien messages, or New Age spirituality**. If it **contradicts Scripture**, it's not from God.
