Outstanding!!! The musicians and singers in Chez'z Best Band are fantastic. They put on a very professional, high-energy show. They have a wide-ranging repertoire and can play whatever you need for your event. Their communication, planning prior to the event, was very good and on event day, they arrived on time, ready to play. They knocked it out of the park. I highly recommend them. Hired as a Party band, Pop, R&B, Classic Rock

Hired as Party band, Pop music

Che' and her band rocked the house, for our December 2019 company holiday party. Everyone was amazed by the talent and loved every moment of their performance. Che' really came through for us, as we had a last minute request to book a live band for our company holiday party. The band came on time, dressed to impress, and were extremely professional. This configuration of Chez'z Best Band had 6 musicians in total and they all were so gracious and talented. We really, really hope to work with this great group in the future.

Verified Review-Eileen, January 13, 2018. Hired as Gospel /Inspirational music. Fantastic! We had Chez'z Best Band at a gathering of 400 people. It was a rousing success. Gospel music sung with passion on a bright California morning. People who attended the show, were still singing at the end of the day.

Spring/Summer 2015-2016

Hi CHE', I just wanted to, express my complete gratitude and joy over your performance, for my father's retirement party. You demonstrated professionalism, elevated the party to a concert level performance. It was ABSOLUTELY AWESOME! I've given your booking information with at least 20 couples. Thank you!
