MISSION STATEMENT:

WHAT IS CRONOS BRAVE ABOUT?

BRAVE EMERGES AS A GROUNDBREAKING INITIATIVE WITHIN THE CRONOS CHAIN ECOSYSTEM. WHAT WE OFFER IS A DUAL NFT/TOKEN SYSTEM DESIGNED WITH A GENUINE PURPOSE, BRAVE AIMS TO PROVIDE SUSTAINABLE PASSIVE INCOME STREAMS TO ITS HOLDERS THROUGH THE INNOVATIVE CONCEPT OF THE BRAVEPASS. BEYOND FINANCIAL INCENTIVES, BRAVE ALSO INCORPORATES AN ARTISTIC DIMENSION WITH THE REGULAR RELEASE OF NFT COLLECTIONS UNDER THE BANNER OF THE “NFT BRAVE COLLECTION,” AVAILABLE ON THE CRYPTO.COM NFT MARKETPLACE.

COMMUNITY-CENTRIC APPROACH:

BRAVE PRIORITIZES THE INTERESTS OF ITS COMMUNITY MEMBERS BY ALLOCATING A SIGNIFICANT PORTION OF ITS EFFORTS TOWARDS BENEFITING TOKEN HOLDERS. THE PROJECT’S COMMITMENT TO REDISTRIBUTING VALUE IS EVIDENT THROUGH ITS TOKEN BURNS AND INITIATIVES AIMED AT ENSURING SUSTAINABLE GROWTH AND PROSPERITY FOR ALL STAKEHOLDERS.

KEY FEATURES:

BRAVEPASS AND PASSIVE INCOME: AT THE HEART OF BRAVE LIES THE CONCEPT OF BRAVEPASS, WHICH PROMISES TO DELIVER CONSISTENT PASSIVE INCOME TO HOLDERS. THIS MECHANISM ENSURES A TANGIBLE BENEFIT FOR COMMUNITY MEMBERS, FOSTERING LONG-TERM ENGAGEMENT AND LOYALTY.

BRAVE FAIR PLAY POLICY

The utilities provided to the BraveFam are purely to benefit and support community members. It is to reward those who chose to be BRAVE!

However, to prevent unfair practices and misuse of the utilities, we have the below terms and conditions. This is in place to make sure all members have a fair and equal chance to use and benefit from the project.

!! Secondary sale of Brave Passes NFT and Brave Legends should not be below Mint Price. If so, the pass loses its Discount and Airdrop utilities.

- This is done so that people do not lend Brave Passes to outside or new members for \$1 offers, who then make use of this Pass to purchase Brave legends with discounts and later send back the Passes

- **BRAVE Pass** not to be sold below mint price - see BRAVE Fair Play Policy for details.
- Monthly Passive Income Airdrops will be on base price of all passess. Brave Pass Phase 1 and Phase 2 sales will be used to increase LP for stable and smoother trading experience.
