COVID-19 Addendum 2022**

1. If the answer is yes to any of the following questions, please do not use the pool:
 - Have you been in close contact with a confirmed case of COVID-19 within the last 14 days?
 - Are you experiencing a cough, shortness of breath, or sore throat?
 - Have you had a fever in the last 48 hours?
 - Have you had a new loss of taste or smell?
2. Members use the pool at their own risk, acknowledging exposure to coronavirus may occur.
3. FCA reserves the right to change to a Members only/No guest or non immediate family policy if the need arises.
4. FCA defines immediate those in your household on membership. No other relatives.
5. **** Not Applicable for 2022 but could change if CDC advises.** Members who are at the pool and not in the water, must maintain at least 6 feet distance unless wearing a mask. (Family members from the same household may be closer)
6. ****No more than 10 people can congregate together (less than 6 feet apart) inside the pool fence at any time. Only exception is if there is a group of 10 or less people in one area and another group of 10 or less in another area, per Governor Lee.**
7. **••Members must leave furniture where it is marked to be in order to maintain acceptable distance.**
8. Maximum number of people inside the pool fence and not in the water is 40 people. If this becomes a problem with availability, FCA Board may issue new rules about how long people can stay.
9. Violators of these COVID-19 rules will lose pool membership with NO REFUND.

There will be NO REFUNDS if the government closes the pool this season.
