

## Registration for calendar year 2024

You must register for the Senior Recreation Council each year to remain a member.

Please Note: If your registration for 2023 was received after October 15<sup>th</sup>, you will be considered registered for 2023 AND 2024.

Registration assures you of another year of fun participation in our activities and programs. It also ensures that you will receive future copies of this newsletter.

If you get the newsletter by mail, take a look at your mailing label. The year shown next to your name on the mailing label shows the year through which you are registered. Unless it says **"(2024)", or "(Courtesy)"** after your name, you need to **register for 2024** and pay your annual dues. Please look carefully. If the label has two names on it, ensure that BOTH persons are registered for 2024.

If you receive the newsletter via email, you will receive the February 2024 newsletter as a courtesy, with a note reminding you to register for 2024. If you don't registered for 2024, the February 2024 newsletter will be your last.

We need to have a **signed** waiver on file for **each** SRC member, which means we need to have a form filled out for each participant in our activities. **Please print legibly.**

Identification of an **Emergency Contact** and an **Emergency Daytime Telephone Number** is rarely used. Accidents occur infrequently, but they do occur, and on those occasions we may need emergency contact information quickly, so please provide this information.

We send updated activity information by **email**. If you provide your email address and activity choices, the activity coordinator can contact you about an unannounced or recently scheduled activity. We do not share e-mail addresses with anyone outside of SRC.

**IMPORTANT:** Please **circle all Senior Recreation Council activities** in which you are currently participating or intend to participate during **2024**. This lets us inform those activity coordinator(s) of your interest. You will receive information you need and the activity coordinator will know that you are registered when you come to an activity.

If any of the information changes during the year please let us know about those changes as soon as possible by calling Ronnie Osterman at 301-682-6174 or emailing her at: [ronosterman@comcast.net](mailto:ronosterman@comcast.net)

**Your signature(s) at the bottom, acknowledging waiver of liability, is required!**

**Don't forget to include \$10 for yearly dues.**

Upon completion of the form, please enclose it in an envelope with your check to:

Ms. Ronnie Osterman  
2100 Whitehall Rd #1D  
Frederick, MD 21702-6434
