MYERSTOWN FIRST AID UNIT

Serving the Myerstown Borough and Jackson Township communites with pride since 1956

Greetings to Our Myerstown Community!

As we begin our annual fall fundraiser, we want to thank you for the support you have shown **Myerstown First Aid Unit** over the years. Your generosity directly helps us provide emergency medical care when our community needs it most.

This year, your support is more important than ever. We are preparing to launch a full Advanced Life Support (ALS) program, bringing advanced emergency care directly to Myerstown and reducing our reliance on ALS units responding from surrounding communities.

Launching this program requires a significant investment in advanced medical equipment, medications, and a new ALS squad vehicle. Your donation will directly help us build this capability and bring a higher level of emergency care closer to home.

Every contribution, regardless of size, moves us one step closer to that goal.

Thank you for investing in the future of emergency medical care in our community and for continuing to support **Myerstown First Aid Unit**.

2027 PROJECTS

- ALS Response Vehicle - $75,000
- Advanced Airway Equipment - $3200
- IV Medication Pump - $2400
- Medication Safe with narcotics tracking - $2400
