After a few hiccups, changes, and ideas. Deaf Community of Riverside values the deaf communities throughout Southern California. We made some new recommendations: Board Members, Members-at-large and Community-at-large.

Community-at-large is new. You will see the names on the next page. They are valuable to us. We will send them monthly news, ideas, and open for feedback. They don't have to attend the meeting, nor vote. The more feedback, the merrier it will be.
