6 Welcome to Cleanify!
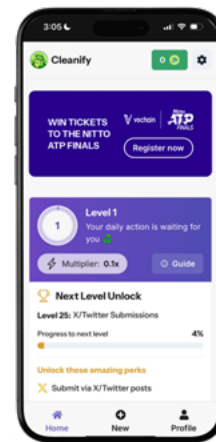

Successful login and start using Cleanify!

After your first-time login, you can access **Cleanify** directly from your home screen!

Now it's time to start cleaning! To submit your daily clean up and earn rewards:
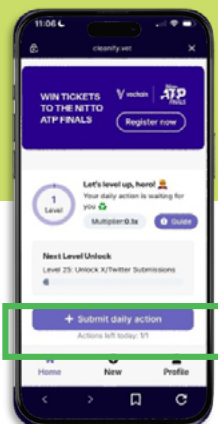

How does Cleanify work?

It's simple! After each time you pick up litter, submit photo proof of your cleanup through the app, and you'll earn tokens in return. These tokens can be used for rewards and other special features within the **Cleanify** ecosystem
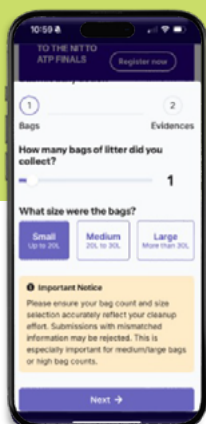

1 Pick up litter

Find litter in your area and take a before & after photo!

2 Submit a daily action

Click "Submit daily action" to begin

3 Upload to Cleanify

Provide the litter count and size of your cleanup

4 Receive rewards
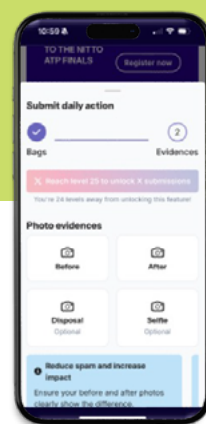

Provide before & after photo evidence, with an optional selfie!

5 Level up & explore other features
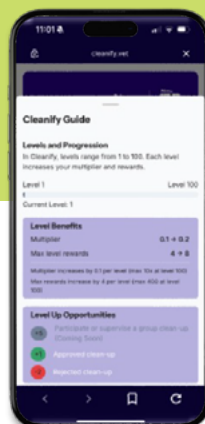

Continue collecting more litter for reward multipliers and other real-world promotions

6 Signup for group campaigns

Participate in a group cleanup or start your own group cleanup

That's it! Have fun earning and let's make the world a B3TR place, one piece of trash at a time
