

# Clean Up - Give Back's Reusable Tote Initiative

1

## A Fashionable Token of Environmental Stewardship

Welcome to our exclusive Tote Bag Initiative, where style meets sustainability! Choose from our Earth-Themed (Green) and Ocean-Themed (Blue) Tote Bags, each embodying the beauty and importance of our natural world and environment.

2

## Cutting Down on Single Use Plastic Bags

Each year, Clean Up - Give Back hosts a Plastic Bag Drive to divert plastic waste from landfills and help raise awareness about the enormous amount of damage that single-use plastic bags do to the environment. Our Reusable Tote Bags aim to tear down at the source of this problem by cutting down on usage in the first place!
