

# Corporate or Group “Volunteer Day”

Dear Corporate or Group Leader,

Thank you for considering Clean Up – Give Back .Org for your organization’s Volunteer Day. Our communities appreciate your service and your support for employees and members as they serve and “give back” so generously to the community.

Volunteering with Clean Up – Give Back .Org is hard work, but it is fun and extremely rewarding because volunteers can see the results of their community service by the end of the campaign! In turn, the community **immediately** appreciates their efforts as they drive by and see a more beautiful landscape. In addition, it instills a sense of community pride to see a large group volunteering on a cleanup campaign.

Clean Up – Give Back .Org works with your organization’s Volunteer Coordinator and provides them with Safety Vests, Pickup Utensils, Trash Bags, Gloves and Signage to make sure your Volunteer Day is a great success. We are happy to answer all questions to ensure everyone is fully informed about what to expect during the Cleanup Campaign. If your employees or members would like to hear more about our mission, and our schedule permits, we can visit your office to speak with any group directly. We love discussing our Mission!

We co-ordinate with Safety Officers in the community where the campaign takes place, so they can support your group on their Volunteer Day and ensure trash bags are picked up when the Cleanup Campaign is over.

Your organization can identify an area to be cleaned, or Clean Up – Give Back .Org will work with local leaders to determine the areas that are most in need of trash removal once you determine a general geographical area.

## **What we ask:**

1. Volunteer Coordinator ensure there is water for volunteers on the Cleanup Campaign Day.
2. Volunteer Coordinator take a before-and-after picture of the cleanup area, and pictures of the volunteers or a group picture.
3. Volunteer Coordinator count the number of trash bags (at least half full) as we keep track of this service to the community.

We are honored that you consider us for your Volunteer Day,

Sincerely,

Donna Adam, President

Clean Up – Give Back .Org
