

NEED SERVICE HOURS?

TRY OUR "FLEXIBLE SERVICE PROGRAM"

Earn service hours on your schedule

This program is great for people who need flexibility to get service hours. Unlike other non-profits, Clean Up - Give Back allows you to choose the hours you work. Many non-profits are only open from 9-5 and can be far away. With us, you can start making a difference in your neighborhood right away! **Read the pdf** on our website.

To join our program, become a lifetime member for \$25.

This membership will pay for all your supplies and resources to keep our program going. We track your hours and provide "Completion Letters" for you without third party involvement. Help support our mission of trash cleanup for the community.
