Join Us for Fun!

**MONDAYS – THURSDAYS
JULY 7TH – AUGUST 1ST**

at Tinc School immediately after ESY

Enrollment open to kindergartners through students completing 4th grade in June and those who are attending Mount Olive ESY or Special Service Programs

Camp runs four days a week Monday-Thursday for 2 hours

Any child with special needs from any town is welcome!!

Cost: \$500 per participant for all 4 weeks

Our ability to hold camp is dependent on staffing and camper enrollment, And due to staffing and training limitations, PEAK may not be able to provide appropriate programming for your child.

If that is the case, we will do our best to let you know ASAP

.....
Please email info@peakgroup.org if interested in pre-registering your child

Note that registration will include a form for parents to sign that will allow PEAK to speak with your child's school personnel to determine what individual supports are needed to ensure a positive camp experience.

Due to the prevalence of food allergies, campers must bring their own bag of lunch, snack, and beverage. Lunch will be first, and camp activities will begin when lunch ends.
