Enrollment Agreement with Montessori Teacher College Sacramento:	16

Before enrolling in Montessori Teacher College Sacramento, we recommend following a pre-admission process to ensure a smooth and informed start to your educational journey. Take time to thoroughly review and research the program to ensure it aligns with your professional goals and expectations.

Schedule an interview with the program administrator to complete the interview process, to be followed up with the administration of the Wonderlic (Scholastic Level Assessment) as a part of the standard application and admission requirements by the BPPE.

Carefully review the Enrollment Agreement, which details program charges, policies, and other key aspects. Once reviewed, sign and initial all sections of the agreement. You'll then need to pay the non-refundable application fee to secure your place - then finalize your payment plan, and with everything completed, you'll be ready to embark on the program and begin your Montessori teacher training.

At Montessori Teacher College Sacramento, the Enrollment Agreement provides a comprehensive outline of essential details for your educational journey. It includes a breakdown of total program charges, ensuring transparency in tuition and fees.

The agreement also covers dispute policies and procedures, tuition recovery information, and students' rights to cancel or withdraw, clearly defining the processes and deadlines for these actions and an overall review of the program structure and offerings.

This agreement serves as a valuable guide, helping you navigate your responsibilities and the support available throughout your time in the program.

Calculation of Refund:

Hypothetical Refund Example:

Assume that a student, upon enrollment in a 400-hour course, pays \$2,000.00 for tuition, \$100.00 for registration, and \$150.00, documented cost to school, for equipment as specified in the enrollment agreement and withdraws after completing 100 hours without returning the equipment he/she obtained. The pro-rata refund to the student would be %1518.75 based on the calculation stated below. If the student returns he equipment in good condition within 10 days following his/her withdrawal, the school shall refund the charge for the equipment paid by the student.

\$2100	\$75	x 300 hours of instruction	= \$1,518.75
amount paid for	registration	<u>paid for but not received</u>	initial refund
instruction	fee (amount	400 clock hours of instruction	(deduct \$0 for
(\$2000 tuition plus	school may	for which the student has	documented cost of
\$100 registration)	retain)	paid	unreturned
equipment)			

= \$1,518.75, Actual refund amount

If the student returns the equipment in good condition, allowing for reasonable wear and tear, the actual refund to the student would be \$1,668.75 (\$1,518.75 plus \$150.00).

Refund Policy:

The enrolled student has the right to a full refund of all tuition charges if the enrollment agreement is canceled before or on the first day of instruction (minus the registration, STRF fees and association fees which are non-refundable).

"The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all/part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.
