

Artwork for Dunlora Cover Models

We were thrilled when our new sponsor, Stubblefield Photo, offered to partner with *Dunlora Charm* to provide a special gift to some of the residents who have been featured in the magazine this year!

Stubblefield offers a variety of unique services and products, one of which is their wonderful standouts. These beautiful types of artwork are made from lightweight foam and range in size from 4x6 up to 30x40". The standouts are a great way to display your photos with a choice of black, silver or gold edge 3/4" thick and are made of lightweight, dense Gatorfoam with a high-quality, black display banding around the edges. The mounts are pre-coated with our ultra smooth CMI adhesive. Standout mounts have a moisture barrier on the back that will prevent future warping of the mount. They have pre-drilled holes for mounting the board flush to the wall with the use of push pins or velcro strips. Standouts are a fantastic way to display your photos!

"I am excited to jump right into my partnership with *Dunlora Charm* and thought the standouts were a great way to show the neighbors one of our great products," exclaimed Cara Chambers, owner of Stubblefield Photo. "The standouts are really versatile, especially with the different options of edging, so they go well with many types of décor. The fact that they can be hung without damaging the walls are an added bonus!"

We rang in the holiday season early, playing Santa Claus and delivering the beautiful standouts to some Dunlora neighbors, and residents were delighted with the surprise gift! "What a wonderful surprise," said Joanne Wise. "We will cherish that print!" Nancy Hartogensis loved the print of her son Jake who was featured in the August issue, "This is great! It is beautiful and so lightweight -I always worry about hanging things above the beds especially, so this will be perfect!" Carol Fishwick was featured with her grandson Jarvis. She exclaimed, "I have placed the photo in my study, the bedroom Jarvis uses when he comes to spend the night, so we will both enjoy viewing it." Claire Wood said, "That is awesome that Stubblefield came on board. I like them so much!" Maddie Henning thought the standout of her cover photo was "awesome!" Katrina Callsen is looking forward to using Stubblefield to get some of her family photos printed and mounted in the near future. Amy

Anderson and Suzanne Conklin both enjoyed their standouts as well, thanking Stubblefield for their contribution of the thoughtful gift.

We are so grateful to Stubblefield Photo for contributing the gorgeous standouts and being a part of this fun project for our neighbors!

Cara shares, "Stubblefield Photo Lab is a small family business that has big dreams. Our goal is to grow bigger but to keep one on one with our customers. We want you to feel confident using us because we are all about our quality. We do small to large jobs, printing, scanning and photo restoration. We also do your printing on a wide variety of paper for that special look. Our standouts are a fun easy and inexpensive way to put your pictures on the wall or on your desk. They are great gift ideas for family and friends. We also do canvas wraps for a higher-end look. Please come and we can show you what wonderful things you can do with your images."
