

## GRAND CAYMAN

CAYMAN ISLANDS

**Position:** Staff Engineer

**Reporting Relationship:** Director of Engineering or Chief Engineer

**Location:** ONE GT, Grand Cayman - Goring Avenue Grand Cayman, Cayman Islands KY1-1105

**Work Type:** 100% On-Site

**Position Summary:** The Staff Engineer at ONE GT, Grand Cayman will assist in the maintenance and repair of all hotel facilities and equipment, ensuring smooth, safe, and efficient operations. This role supports the Engineering team in preventive and corrective maintenance, monitors equipment performance, and helps uphold the hotel's standards for safety, functionality, and guest comfort.

**About ONE GT (Grand Cayman):** Expected to open by the end of 2025, ONE GT is Grand Cayman's premier luxury urban residential resort. Located in the heart of George Town, our 10-story landmark features the island's only rooftop infinite-edge pool, high-end dining options, a pastry café, and stunning 360-degree views. The resort is steps away from luxury shopping, gourmet dining, and cultural landmarks, offering a seamless balance of productivity and relaxation. ONE GT has been awarded the 5-star winner and nominee for several regional awards and won Best Hotel Architecture Cayman Islands and Best New Hotel Construction & Design.

**About Remington Hospitality:** ONE GT, Grand Cayman is managed by Remington Hospitality. When you build a career at Remington, you achieve success, growth, and friendships. We offer endless opportunities and so many reasons to stay with us. As a team, we roll up our sleeves to take care of our guests and celebrate success together. Expectations are clear, collaboration is encouraged, and opportunity is there-if you reach for it. Come join us and succeed in our dynamic culture where you are valued and appreciated.

---
