

# How to Use Your GENUINE BOW™

## Step 1: Position

- Hold GENUINE BOW™ vertically over the cork.
- Center the tip of the helix on the cork's middle.
- Light pressure only — precision over force.

## Step 2: Insert

- Grip the handle firmly.
- Twist clockwise to drive the helix smoothly into the cork.
- Continue until the collar rests against the bottle.

## Step 3: Pull

- Maintain a steady grip.
- Pull upward in one clean, confident motion.
- Listen for the natural pop of a perfect seal.

## Step 4: Pour and Enjoy

- Remove the cork carefully.
- Pour your wine — or flip GENUINE BOW™ to open a beer with the built-in bottle opener.
- Enjoy.

## Care Tips

- Designed for hand use — no excessive force needed.
- A brief resistance is normal; it preserves wine quality.
- Handle the sharpened helix with care.
- Wipe clean after opening wine or beer.
