

Eye of the Heart, by Cynthia Bourgeault, 2020

World 1	Godhead – Holy Absolute
*Shock Point 2	★ Energy and will of the Absolute
World 3	Consciousness / God manifests; nothing into something. Law of 3 – light, darkness, God (Torah)
World 6	Eros – pure creative life force. The highest realm touchable while still in human form.
World 12	Embodied Love – Christic & Bodhisatva consciousness. Agape . Human Jesus @World 24 + Divine Jesus @World 6 = World 12; ie, in the middle. Shoot high to reach the middle.
World 24	Imaginal – direct perception through the eye of the heart, the true organ of spiritual perception and seat of Imaginal Selfhood. Presence, subtle, witnessing Self, human Jesus. World of conscious human. Lower World 48 + higher World 12 + <i>shock</i> = world 24, the middle.
Shock Point 1	★ Conscious labor – conscious awareness ★ Intentional suffering – surrender “Pain is the ground of motion.” J.Boehme
World 48	Egoic – world as we know it; psychic; Earth; vices & virtues, either/or, polarities, duality; necessary & sacred, yet immobile narratives and stories.
World 96	Personality – habits, conditional, boring, stuck, unstable.
World 192	Hell realms – craving, wrath, pride, envy, obsession, self-denigration.
↓ 12,288	Inorganic chemistry; no consciousness.

***shock points** are needed to move up the vertical axis [this chart] to the higher Worlds/realms
[our human horizontal perspective is “only at eye level”, p67]
