### **Have dancewear you would like to sell?**

Please email us at [info@maryannsdanceandmore.com](mailto:info@maryannsdanceandmore.com) to arrange an appointment to sign a consignor agreement and for inspection of items to be consigned. **SHOES WILL NOT BE ACCEPTED FOR CONSIGNMENT. COSTUMES WILL ONLY BE ACCEPTED IN JULY.**

Dancewear **MUST** be in next to new condition and ready for resale. Mary Ann's Dance and More reserves the right to refuse to accept an item that does not meet those requirements.

Items are accepted in January, April, July, and October **ONLY**.

### **How does my consignment work?**

Consignors receive 40% of what the item(s) is sold for in the form of a store gift card – issued quarterly – March, June, September and December.

Each consignor will a non-refundable \$15.00 fee at the time of registration – this fee covers administrative costs, etc. Payable via cash or check, no credit or debit card payments.

### **How do I prepare my dance wear for consignment?**

1. Use only 3x5 index cards – full size, pinned vertically to clothing. Use **WHITE** index cards for items you wish to donate if they are unsold within the quarterly time frame that you'd like to donate to Donate2Dance; and **COLORED** tags for items you wish to pick-up if unsold within the same time frame. (i.e. – items dropped during January must be picked up at the end of March if they are unsold.)
2. Include your seller's name on the left side of the vertical index card, about an inch down from the top just below the pin line.

3. Gender & Size: Specify gender (Boys'/Girls'/Unisex) and size opposite your seller's name on the right side of the full-size 3.5 x 5 vertical index card. Indicate the size directly below the gender. All clothing items marked with S, M, L, or European sizing etc. must be marked with a number sizing equivalent (ex: XS/4 or 120/6).
4. Description: All items must include a description on the tag. Use the middle section of the index card to describe your clothing and other items. This is a good place to point out if it is a brand name item. Indicate here if an item has more than one piece.
5. Asking price - consignor will accept nothing less than the purchase price for the consigned merchandise unless otherwise agreed upon in writing, and signed off by both parties.

Example of how tag format"
