Contest Guidelines

Any VMCA member, MAMCA member, Presenter, Affiliated Lab Group, Abatement Team Member, and/or Vendor Representative may submit up to 1 photo per category.

All photos must follow the category guidelines and must include mosquitoes and/or closely related arthropods including but not limited to spiders, centipedes, millipedes, scorpions, isopods, etc. – unless otherwise indicated in the category submission description/directions.

All the submissions must be completed using the links on the following pages. Each caption must include a “Title” and can include a brief description if desired.

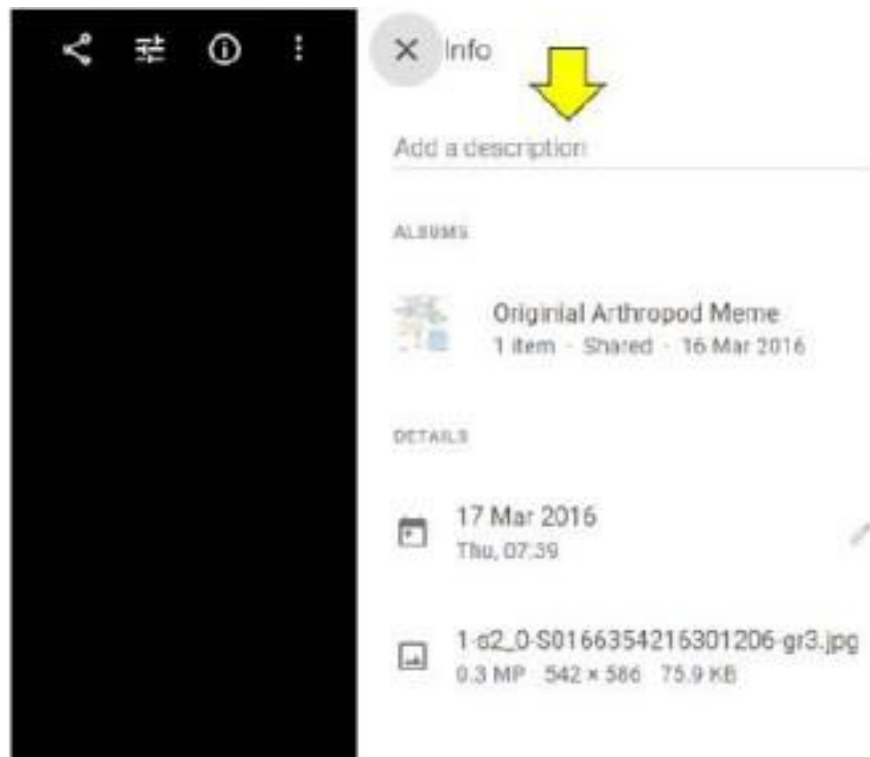

The same photo cannot be submitted for multiple categories.

How to add a “Title & Description”

1. After your photo is uploaded, click on the newly uploaded photo.
2. Navigate to the “Info” icon in the upper left corner of the page. (As demonstrated below)

3. Add a photo title/description. (As demonstrated below)

4. Close the “Info” box and you can now close out the page
