WHO WE ARE

Trade LIT is a strategic **International Trade Manager** based in Bogotá, Colombia and New York, US, with specialized operations in the United States. We act as a **high-tech bridge** between **top-tier Latin American producers** and **global buyers**, ensuring seamless, transparent, and secure commodity transactions through **innovative** financial and logistical management.

THE ‘TRADE LIT’ ADVANTAGE

WHY PARTNER WITH US?

- **Vetted Supply Chain:** We identify and pre-validate producers across multiple industries to guarantee quality and reliability.
- **Financial Security:** All transactions are coordinated through our US-Based Collection Agent, providing a secure, local payment environment for international buyers.
- **Rigorous Compliance:** We operate under strict KYC (Know Your Customer) and OFAC/AML standards to eliminate legal and financial risks.
- **Operational Excellence:** We manage the entire complexity of the trade—from negotiation to final delivery—so you can focus on your core business.
