# AN AUCTION OF TITANS

## Measured success guaranteed

At Thaba Tholo, conservation is our passion. We work hard at providing our herds with an ecological habitat that optimises animal wellbeing. Our annual auction of prime genetic material forms part of our contribution to the quality game breeding industry throughout the country.

One area of specific interest is our hands-on rhino conservation programme. This innovative opportunity entails an in-veld experience that lets you take part in activities usually reserved for vets, rangers and our own wildlife specialists.

You will get on-the-ground, first-hand knowledge of rhino behaviours, personalities and characteristics. Best of all, by getting involved with hands-on conservation you are assisting with an additional revenue stream to conserve these magnificent animals.

### **BID ON LOT ONE AND SHOW US YOU CARE TOO**

To support our hands-on rhino conservation programme, Lot One of our live auction

offers a party of six wildlife enthusiasts the opportunity to experience a life-changing day in Thaba Tholo's unique Big Five bushveld, together with our specialised conservation team.

### **BIG NAME SABLES, FOR SURE**

This year we have pulled out all the stops to offer sables at the very top end of the available genetic spectrum. Look no further than BZN-sired 54" Lerumo, a titan amongst titans.

This young sable bull, the Spear of Thaba Tholo, has a pedigree to make your eyes water. He is only five years and three months old, which means he is sure to grow more, while offering you many years of high-quality breeding to come.

Many more terrific sable lots are on offer on both the online live and time auctions.

### **BODACIOUS BUFFALO**

The outstanding range of female buffalo on offer this year includes the fearlessly feminine, 52" Inala-sired 39 $\frac{7}{8}$ " Keteka as

Lot 23, amongst other high-quality female buffalo lots. She sells with a Magnum heifer calf and is certified in calf to Bheka.

Lot 24 is 36 $\frac{1}{8}$ " Lesedi, also sired by 52" Inala. She sells with a Magnum heifer calf and is certified in calf to Bheka.

Lot 25 offers 35 $\frac{1}{8}$ " Nia. Sired by 51+" Okamoso (who is an outstanding son of Bayeto), Nia has a 40 $\frac{6}{8}$ " dam (VB127 sired by Matetsi). She sells with an Okamoso heifer calf and is certified in calf to Okamoso.

### **A QUALITY CATALOGUE, FULL OF TITANS**

Make sure to peruse the full catalogue carefully, as we have assembled lots judiciously positioned to offer all our friends the genetic quality and diversity which has become the hallmark of Thaba Tholo over decades.

**Thank you for your interest in our auction this year.**

## RULES OF AUCTION

in respect of sales by

**Wildswinkel Veilings (Pty) Ltd – Registration Number: 2015/316030/07**

(As auction house, herein after referred to as the "Auctioneer" and the person conducting the auction referred to as the "auctioneer")

1. All goods sold by auction will be subject to a reserve price, unless specifically stated otherwise in the auction catalogue or by the auctioneer prior to or at the start of the auction. In the event where a bid below the reserve price is placed, the lot will be considered not to be sold or will be subject to confirmation by the Owner/Seller as indicated by the auctioneer.
2. Unless where notice is given, it is not allowed that the Owner / Seller, his agent or the Auctioneer may bid on any of the Owner's / Seller's goods sold by auction. However, individual Sellers may bid on other Sellers' animals.
3. These Rules of Auction comply with Section 45 of the Consumer Protection Act, Act 68 of 2008 ("the Act") and the Regulations of the Act as applicable, which read as follows:

Section 45: "Auctions"

- 1) In this section, "auction" includes a sale in execution of or pursuant to a court order, to the extent that the order contemplates that the sale is to be conducted by an auction.
  - 2) When goods are put up for sale by auction in lots, each lot is, unless there is evidence to the contrary, regarded to be the subject of a separate transaction.
  - 3) A sale by auction is complete when the auctioneer announces its completion by the fall of the hammer, or in any other customary manner, and until that announcement is made, a bid may be retracted.
  - 4) Notice must be given in advance that a sale by auction is subject to—
    - a) a reserved or upset price; or
    - b) a right to bid by or on behalf of the owner or auctioneer, in which case the owner or auctioneer, or any one person on behalf of the owner or auctioneer, as the case may be, may bid at the auction.
  - 5) Unless notice is given in advance that a sale by auction is subject to a right to bid by or on behalf of the owner or auctioneer—
    - a) the owner or auctioneer must not bid or employ any person to bid at the sale;
    - b) the auctioneer must not knowingly accept any bid from a person contemplated in paragraph (a); and
    - c) the consumer may approach a court to declare the transaction fraudulent, if this subsection has been violated.
  - 6) The Minister may prescribe requirements to be complied with by an auctioneer, or different categories of auctioneer, in respect of—
    - a) the conduct of an auction;
    - b) the records to be maintained with respect to property placed for auction; and
    - c) the sale of any such property by auction.
- 
4. The auction is conducted for the normal and voluntary disposal of the Owner's / Seller's goods.
  5. Buyers are bidding per piece to take the lot, unless where explicitly stated otherwise by the Auctioneer or in the Auction Catalogue.
  6. The auction will start at the published time. The auction will not be delayed to allow any specific person or more persons to take part in the auction.
  7. All goods sold at the auction are sold by the Auctioneer as agent on behalf of the Owner / Seller. The Owner / Seller hereby authorises the Auctioneer to issue invoices, credit and debit notes as applicable on its behalf and agrees not to issue the aforementioned for the same supply. The Owner/Seller also hereby authorises the Auctioneer to collect the purchase price from the Buyer and the Owner / Seller do hereby cede to the Auctioneer all the Owner / Seller's rights, title and interest in and to its claim for payment of the purchase price against the purchaser, which session the Auctioneer do hereby accept.
  8. The purchase price of the goods sold by auction specifically excludes VAT and VAT must be added to the purchase price and paid by the Buyer unless specifically indicated otherwise. Declaration and compliance related to all applicable taxes is the responsibility of the Owner/Seller and Buyer as relevant.

9. Transfer of risk:
- 9.1 Risk in respect of profit and loss in the goods sold per catalogue shall pass to the Buyer upon the fall of the hammer and upon acceptance of the bid by the Owner/Seller. The risk in mortality of the goods will remain with the Owner/Seller until the goods are loaded on the Buyer's transport. Where delivery is included in the bidding price the risk in mortality of the goods will remain with the Owner/Seller until safe step-off at the Buyer's address. In the event that the Owner/Seller offers his own transport at a cost to the Buyer the risk transfers to the Buyer upon loading.
- 9.2 In the event where animals kept in boma are auctioned, risk in respect of profit and loss in the goods sold will pass to the Buyer upon the fall of the hammer, which risk includes mortality.
- 9.3 Notwithstanding the passing of risk, ownership shall remain vested in the Owner/Seller until such time as the full purchase price has been paid to the Owner/Seller.
10. Delivery of the goods sold at the auction, shall only be given to the Buyer upon the Buyer fully performing its payment obligations in accordance with these conditions of sale. The Owner / Seller shall be responsible for costs incurred to deliver the goods on the Buyer's transport. The Buyer shall be responsible for procuring and paying for transport of the goods from the Owner / Seller's property.
11. The parties specifically agree that no bid may be retracted after the bid has been knocked down (fall of the hammer) and accepted by the Owner / Seller, unless the Owner / Seller consents thereto in writing.
12. Subject to any reserve price placed on any of the goods by the Owner / Seller, the Buyer at any sale by auction shall be the highest bidder indicated by the auctioneer by the fall of the hammer or by such other means as the auctioneer may select.
13. The auction shall take place under the direct and exclusive control of the auctioneer. The auctioneer reserves the right, in its sole discretion, to refuse the bid of any person, to regulate the bidding and to indicate the highest bidder. If the auctioneer suspects that a bidder has not made a bona fide bid, or is unable to pay the purchase price or has not made satisfactory arrangements for payment of the purchase price, he may refuse to accept the bid of such bidder or accept it provisionally until the bidder has satisfied him that he is in a position to pay the purchase price or that he has made satisfactory arrangements for payment thereof. On refusal of a bid under such circumstances the goods may immediately be re-auctioned.
14. In the event of a dispute arising amongst the bidders and / or the Auctioneer, the goods in dispute shall, at the sole discretion of the Auctioneer, be re-auctioned.
15. Any error by the auctioneer shall be entitled to be corrected by him or her immediately upon discovery.
