AUCTION WEEK 2021

Thaba Tholo will hosts two premium auctions during its Auction Week from 13 to 17 September 2021.

The timed auction opens on the WildlifePro app at 08:00 on Monday, 13 September 2021, and starts closing lots automatically in groups of 10 lots every 15 minutes from 12:00 on Friday, 17 September 2021.

(A two minute rule applies, which means if any bid is received on a lot within two minutes of closing, the lot stays open for a further two minutes).

Virtual Live Auction will livestream a video on WildlifePro. The video will appear on the bidding screens of the WildlifePro app that shows the auctioneer in action, for bidders to follow the sequential closing of lots live on the app.

Bidding for the virtual live auction opens on the WildlifePro app at 08:00 on Monday, 13 September 2021 for pre-bidding.

From 11:00 on Wednesday, 15 September 2021, the auctioneer will start closing the virtual live lots under his hammer, in order, from lot 1 up. He will accept telephonic bids while bidding on the WildlifePro app continues during this time.

As time passes and bidding ends for each lot, the auctioneer will close lots one after the other under his hammer and the lots will close for bidding on the WildlifePro app at the same time, just like a regular live auction.

Reaching new heights with the LEGACY of 50"  Alfa

A new generation of top-quality Zambian Sable are making waves on Thaba Tholo. Alfa's offspring feature exceptional horn length at young ages. Most are at the top of their class. Early in 2020, a majestic son of Alfa was introduced to the Sable breeding industry, namely *Ndoda*. He measured 54 2/8" at just 5 years 10 months coupled with a noble pedigree - his 38" dam is the daughter of legendary Dinaka. Another remarkable upcoming bull has rocked the boat even more and promises to soon become an exceptional specimen. *Karabo* measured 51 2/8" at only 51 months and is also from an elite bloodline, sired by Alfa and daughter of Monster, with Nike as grandsire.

THE AUCTIONEERS CONDITIONS GOVERNING AUCTION SALES

1. The Sale by auction is subject to a reserve price, unless specifically stated to the contrary by the auctioneer.
2. If no bid equals or exceeds the reserve price, if any, the property or goods may be withdrawn from the auction. The seller (owner) and/or his agent and the auctioneer may bid up to the reserve price of the owner (seller), but shall not be entitled to make a bid equal to or exceeding the reserve price.
3. These Conditions of Sale comply with Section 45 of the Consumer Protection Act, Act 68 of 2008 (“the Act”) and the Regulations of the Act, which read as follows:
Section 45 “Auctions”:
45.1. *In this section, “auction” includes a sale in execution of or pursuant to a court order, to the extent that the order contemplates that the sale is to be conducted by an auction.*
45.2. *When goods are put up for sale by auction in lots, each lot is, unless there is evidence to the contrary, regarded to be the subject of a separate transaction.*
45.3. *A sale by auction is complete when the auctioneer announces its completion by the fall of the hammer, or in any other customary manner, and until that announcement is made, a bid may be retracted.*
45.4. *Notice must be given in advance that a sale by auction is subject to –*
 - (a) *a reserve or upset price; or*
 - (b) *a right to bid by or on behalf of the owner or auctioneer, in which case the owner or auctioneer, or any other person on behalf of the owner or auctioneer, as the case may be, may bid at the auction.*
