

GREATER DETROIT DENTAL HYGIENISTS' ASSOCIATION PRESENTS

**“The Unfolding Role of the Dental Professionals in the Prevention of HPV Related Oropharyngeal Carcinomas”** Charlotte M. Cortis DDS, FAGD

Thursday September 26, 2019

Farmington Community Library 32737 W 12 Mile Rd, Farmington Hills, MI 48334

6-8:30 PM 2 CE Lecture

A 1993 graduate of The University of Detroit with the past 25 years in private practice, mostly, in Lansing MI. Dr. Cortis obtained her FAGD with the Academy of General Dentistry in 2014 and is currently working towards her MAGD. Dr. Cortis has focused her professional growth and education in areas that best fit her patient population in both their systemic and dental health. She has a passion for staying current through researching, developing and implementing systems in practice to promote patient education and value to our exams. Dr. Cortis focuses her practice in the following disciplines: General Dentistry, Aesthetic, Sleep, and Integrative Dentistry. Dr. Cortis has attended numerous HPV Oropharyngeal lectures, symposiums and volunteers with Henry Ford Hospital on community Oral Cancer screenings. She has conducted webinars on the following topics for the MDA: **The Unfolding role of Dental Professionals in the Prevention of (HPV) Related Oropharyngeal Carcinomas and Review of Current Updates on Oral Cancer Screening & Exam Recommendations from the ADA.**

**COURSE OBJECTIVES:**

- Review of Human Papillomavirus (HPV) and the strains associated with oral disease.
- Review of the prevalence of HPV infection, the occurrence of HPV oropharyngeal cancers (OPSCC).
- Review of prevention of new cases of HPV through vaccination recommendations, current vaccination recommendations, sequencing, and rates of vaccination for males and females.
- Review of discussion points for patient/parent discussions regarding vaccination.
- Encouragement of the audience to seek education and become an advocate in HPV and oropharyngeal cancer (OPSCC) prevention through HPV vaccination.
