

GETTING NEW INTERNET JUST GOT EASY.

When it's time to switch business Internet providers, it can feel like a lot is on your plate. You have to figure out next steps, what equipment you'll need, and how to save money. And what about your current equipment? You shouldn't have to part ways with perfectly good hardware.

Your All-In-One Internet Solution.

Making sure you get all the above is why CSG created this inclusive Internet bundle. It's everything you need for indoor or outdoor business Internet in one convenient offer.

Small Changes for Better Internet.

Don't worry, you'll be able to keep your current router and general setup – this adapter bundle is designed to pair your equipment with Verizon's powerful Network. You'll hardly notice a change, besides your highly improved connectivity!

Concerned About Compatibility?

Our expert technicians will perform a thorough on-site survey to ensure speed requirements before moving on to the next step for installation. This white-glove approach gives you the confidence you need before the commitment.

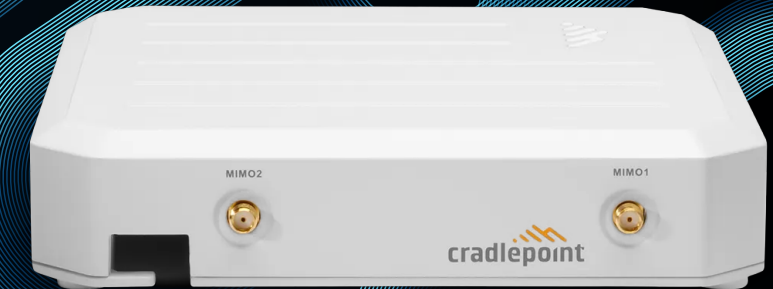

Stay Covered for a Lifetime.

Lifetime emergency outage support is included. Whether by phone or email, our knowledgeable and passionate team members will be ready to help help your business get back online.
