You need a financial account to register

To verify your identity, we will need a number from ONE of your financial accounts. We can use any of the following:

- Credit Card OR
- Student Loan OR
- Mortgage or Home Equity Loan OR
- Home Equity Line of Credit OR
- Auto Loan

You will only need to provide the loan account number or a few digits from a credit card number. We only use this information to verify your identity. **You will not be charged any money and are not sharing any account balances or other financial information with us.**

A soft inquiry will show up on your credit report to let you know that the IRS accessed your credit report information. This will not increase or decrease your credit score and lenders will not be able to see this.

You need a phone number or a verified address

We'll need one more way to verify your identity. The easiest way is to send a code to your phone by text message (SMS). Your phone must be a U.S.-based mobile phone number associated with your name.

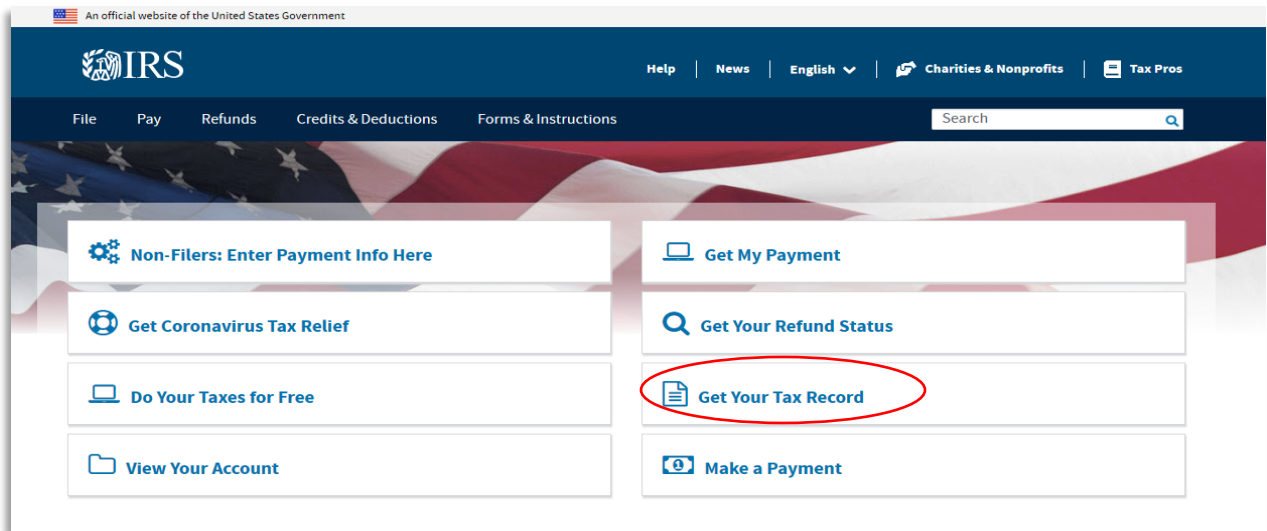

You can also complete identity verification by receiving a letter in the mail. If you choose this method, you'll either need a U.S.-based phone number OR an iPhone, iPad, or Android device to complete registration.

a **Return Transcript**, which includes most of the line items of a tax return as filed with the IRS. A tax return transcript does not reflect changes made to the account after the return is processed. Transcripts are only available for the following returns: Form 1040 series, Form 1065, Form 1120, Form 1120-A, Form 1120-H, Form 1120-L, and Form 1120S. b **Account Transcript**, which contains information on the financial status of the account, such as payments made on the account, penalty assessments, and adjustments made by you or the IRS after the return was filed. Return information is limited to items such as tax liability and estimated tax payments. Account transcripts are available for most returns. Most requests will be processed within 10 business days
