IRS Identity Theft

Identity Theft is a major problem during tax season when unsuspecting taxpayers can have their tax returns stolen via identity fraud. Protection Plus will assist Members with filling out the paperwork that the IRS requires in order to get their return successfully filed and protection against future events.

Protection Plus assists taxpayers in the event that the IRS holds a taxpayer's return for Identity Theft for any of the following reasons:

- Duplicate SSN previously filed
- Preparation office redirection of funds.
- Stolen refund check.

Protection Plus will assist Members who experience problems in filing their tax return due to a suspected identity theft incident in the following ways:

- Interact with the IRS on your behalf
- Assist in completing all required paperwork to be submitted to the IRS
- Assist in getting their tax return successfully filed
- Assist in obtaining an IRS Identity Protection PIN to prevent a future event

Once it is determined by the IRS that the taxpayer has a justifiable claim, they will be issued a PIN number that the taxpayer must use to file their tax returns moving forward. Others will be prevented from filing a fraudulent tax return in the Members name without the IRS Identity Protection PIN.
