Select One Date

Feb 8, May 16,

June 27, July 25, Dec 8

8:30 am - 4:30 pm ET

2023 Course and Description

Universal Design Essentials

This course presents a shift in the approach to residential design and construction. Inclusive design is presented to develop market-driven projects that are functional, integrated and aesthetically appealing. CAPS courses are not a prerequisite but CAPS graduates will earn the year's CEU's to maintain the designation while expanding into the broader spectrum of universal design that offers a much wider target audience.

Dates and Time:

Select One Date

**October 9,
November 7**

8:30 am - 4:30 pm ET

COURSE FORMAT

All courses will be live, held virtually on Zoom in Eastern Time (with extensions provided upon request in other time zones). Please let us know as soon as possible if you require special assistance to fully participate.
