It starts with YOU...It stays with HIM.

THANK YOU

Thoughtful contributions from citizens like you make it possible for the Alpha Foundation to provide programs that address the unique educational challenges and social needs of deserving, underserved male students in the Sarasota/Manatee communities.

Since its inception in 2001, the Alpha Foundation has addressed the issues of low-grade point averages, poor performance on standardized tests, higher than normal dropout rates, conflict resolution, character development, and the failure of many minority males to graduate from high school.

Your support of this year's golfing event will allow us to continue to provide college scholarships, college tours and mentoring programs for deserving young men.
