2. You will then proceed with your dog and run slip to the inspection tent to be inspected.
3. Once your time block time is close to starting then you will proceed to where the wait line is.
4. Once called to the start line tell the gate steward the name of your dog and breed as they will walkie to the catch area for your catcher to be ready. (Make sure that you have someone at the catch area ready to catch your dog. If not, you will be asked to leave the start line and wait until someone is at the catch area to catch your dog).
5. If you ran an AKC full event run and your dog qualifies then you can go to the timer tent to pick up your yellow copy of your run slip and your participation ribbon.
6. If you only ran a fun run you also will proceed to the timer tent to pick up your yellow copy of your run card. Sorry no ribbon.
7. If you believe your dog has earned enough points to qualify for a title from AKC then proceed to the secretaries table to pick up your titling rosette.

**Running Your Dog:** It is recommended that dogs be handled (released) with a "slip-lead" that gives an instantaneous freedom to the dog when "Tallyho" (release) signal is called by the Hunt Master. Dogs may run with or without a collar. Flat buckle collar preferred. **Unacceptable collars:** are **ANY TYPE** of Chain choker collar, a collar with prongs or an electronic training collar. NO loose hanging tags from collar. Committee reserves the right to have exhibitor remove or tape up said tags. Owners may use a rubber band to hold the dog's hair from their eyes. The owner assumes responsibility for the safety of the dog with regard to the dog's collar and paraphernalia on the dog.

**Inspection:** All dogs must be inspected by a committee member before EACH run, for lameness, injuries, or bitches In season and/or any other signs of distress. All dogs must be inspected before every run without tape, bandages, wrapping or other covering (coats, blanket, etc.) If in the opinion of the inspection committee any dog found to be lame, unfit in any form or in season they shall NOT be allowed to run and the entry fee shall be refunded.

**Refund Policy:** If in the opinion of the inspection committee any entry is found to be lame, unfit to compete or in season the entry fees shall be refunded.

**Awards:** Pass: Light Blue flat ribbon.

**Title Completion:** Will receive a GODC Title Ribbon.

### **NOTICE TO EXHIBITORS**

#### **Exhibitors are reminded to bring their own chairs, shade, water, 2 leashes, etc.**

All dogs run at owners' sole risk. The hosting club and property owners, their agents, members, representatives, volunteers, etc. assume NO responsibility for any loss, damage, or injury sustained by exhibitors and handlers or to any of their dogs or property and further assumes no responsibility for injury to children or spectators before, during or after this event.

By entering the event premises, you consent to photography and video recording and its/their release, publication, exhibition, or reproduction to be used for news, webcast, promotional purposes, advertising and inclusion on websites. You waive all rights you may have to any claims for payment or royalties in connection with any exhibition of photographs or video recording. You also waive the right to inspect or approve any photo or video taken by/or the person or entity designated to do so by Greater Ocala Dog Club or it's members

#### **Tips for handlers & Conditions of entry:**

1. The course is fully fenced. However, it is strongly recommended that prior to running your dog, you have good "recall" control over your dog, as the dogs will be off leash
2. Handlers should wear comfortable shoes and be physically able to hold and release their dogs, as well as catch them. NO BARE FEET allowed on the property.
3. Dogs will be brought to the start line on leash and released only upon a verbal signal ("Tally-Ho!") from the Hunt master. Dogs may be released by hand, folded leash or using a traditional lure coursing slip lead.
4. Catcher should be who the dogs would rather run to. Handler needs 2 leashes one for the releaser and one for the catch person. The handler is expected to promptly secure the dog and leave the field with the dog on leash.
5. Lure coursing is a physically demanding sport so please make sure your dog is in good shape. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion If you are not sure, make an appointment with a veterinarian to get an opinion.
6. Handlers are advised to warm up their dogs prior to their run and walk them for about 5 minutes afterwards. Remember they are an athlete so please don't just throw them in a crate right after running this can cause health problems

#### **Additional Guidelines and helpful information**

- ~ All dogs must be one year of age or older on the day of the test in order to be able to run for AKC points
- ~ Fun/practice runs are just that fun. They are for any age dog. But dogs under 1 year old can only run a half track.
- ~ Each dog must have two leashes for the dog. One for the releaser and one for the catcher to use.
- ~ No flexi leashes to be used anywhere near the event itself or around other people's dogs.
- ~ A \$5.00 fine can be assessed for any loose dog on the field that is not competing on the course in progress.
- ~ Once your dog enters the course there will be no refunds, even if your dog does not want to run.
- ~ A \$5.00 fine can be assessed for any handler not cleaning up after their dog.
- ~ Any dog displaying aggression towards people or other dogs, will be asked to leave without refund.

- ~ The hunt master is responsible for field safety and therefore he/she is in complete charge of all dogs and handlers on the field. In service to this responsibility, he/she has the authority to stop the lure in any potentially dangerous situation and signal the handler to retrieve a testing dog.

- ~ This course is fully fenced with permanent no climb fence. Tests will run concurrently. Electric timers are used.

**Artificial Coat Coloring** Chapter 16, Section 14. Dogs with Coloring Dogs with artificial coloring in their coats may participate in Fast CAT. The coloring must not cover more than one-third of the dog's coat. The coloring must not disperse (leave a cloud) when the dog is running. Colored markings on a dog must not be in poor taste and cannot contain profanity or conflict with a sponsor of a test. It is the responsibility of the trial chair to decide if the coloring is acceptable.

**FAST CAT** is a timed straight race of 100 yards where a dog chases a lure. Dogs are run singularly and earn points based on their handicapped speed. There are no placements. Titles are issued at designated benchmarks. The dogs' time to complete the 100-yard dash is converted into MPH. Dogs earn points based on their handicapped speed. A handicap system is applied to a dog's MPH to determine the number of point earned. The handicap system is based on the height of the dog at its withers:

- 18" or greater = handicap is 1.0
- 12" up to less than 18" = handicap is 1.5
- Below 12" = handicap is 2.0

$204.545/\text{time} = \text{MPH}$

Example: The dog's time is 8.14 seconds

$204.545/8.14 = 25.13 \text{ MPH}$

MPH multiplied by the dog's handicap = points. Titles are earned by accumulating points. The following titles will be awarded:

BCAT= 150 Points

DCAT = 500 Points

FCAT = 1,000 Points

FCAT# = Every additional 500 Points

Please visit the AKC web site at [AKC.org](http://AKC.org) to see [the Top 20 Fastest Dogs by Breed and/or by Year for national standings](#). The standings will be updated as event results are processed thru AKC
