

PACIFIC COAST REGION OF THE WOCN PRESENTS:

Catching the NEW WAVE

PCR 2017 Conference

FEBRUARY 16-19, 2017
NEWPORT BEACH, CA

PCR 2017 Conference
Daphne Weiland | 6414 Kingfisher Place | Ventura, CA 93003

Program Objectives

Participants will be able to:

Discuss the current NPUAP Pressure
Ulcer Staging definitions

Discuss documentation including
problems/solutions with the
Electronic Medical Record

Discuss the key factors of Pressure Ulcer
Prevention & Management and Legal Care
practices for all healthcare clinicians

Describe the components of
Complete Decongestive Therapy

List available compression options
and best choices for complex patients
with lower extremity wounds

Identify seating and mobility challenges
as limiting factors to wound healing and
understand how to address them

Discuss normal digestion and absorption

Review the nutrition management
of short bowel syndrome (SBS)
or high output ostomies

Describe the medication used
to slow bowel motility and
improve bowel absorption

Discuss when ostomy revision
is an option and when it is not

Discuss out of the box solutions
for pouching options

Discuss case studies including
before and after solutions

Understand the limitations of current
skin assessment standards and how
long-wave infrared thermography (LWIT)
can aid in those shortcomings

Know the relationship between LWIT
technology and the pathophysiology of
deep tissue pressure injury (DTPI)

Recognize the value of early intervention
and documentation as it relates to both the
patient and regulatory responsibilities

Describe a clinical approach
to ostomy challenges

Discuss the evidence to
assist in clinical decisions

Identify economic strategies
to market WOC Nursing

Identify factors which affect healing

Explain the role of proteases
in the non-healing wound

Discuss biofilms and how
they may delay healing

Describe collagen and oxidized
regenerated cellulose

Discuss in vitro evidence for collagen/ORC

Discuss clinical evidence
in non-healing wounds

Explain the usual clinical presentation
of Deep Tissue Pressure Injury

Discuss how to perform root
cause analysis of cases of
Deep Tissue Pressure Injury

Identify best practices for treatment of
Deep Tissue Pressure Injury

Discuss how to facilitate “rap” sessions
in youth with bowel and bladder disorders
(diagnosis, management, and self-esteem)

Describe at least 2 education
strategies when working with youth

Describe how to building relationships
through effective interpersonal
(therapeutic) engagement

Explain the science of cryopreserved
placental membrane and their
relevance in complex wounds

Discuss late-breaking clinical study results
on the use of cryopreserved placental
membrane in complex wounds with
exposed bone and tendons

Describe clinical case studies on the use of
cryopreserved placental membranes and
their use in complex wounds

Conference Agenda

THURSDAY FEBRUARY 16, 2017

0730-0800	Registration – Breakfast on Own
0800-0900	When Revision Isn't An Option: Creative Solutions for Ostomy Management <i>Susan E Foster BSN PHN CWOCN</i> (1 CE, O)
0900-1000	There IS a Camp For That! <i>Paul Hastings President and CEO Youth Rally Committee, Inc.</i> (1 CE, O,P)
1000-1015	Break
1015-1145	Understanding the Stalled Non-Healing Wound <i>Breda Cullen PhD</i> (1.5 CE, W)
1145-1245	Collagen/ORC and Its Role in the Management of Non-Healing Wounds <i>David Silcock PhD</i> (Lunch Provided) (0 CE)
1245-1300	Break
1300-1430	The State of the Science of DPTI <i>Joyce M. Black, PhD, RN, CWCN, FAAN</i> (1.5 CE, W)
1430-1600	Medical Nutrition Therapy for the Ostomy Patient – <i>Arlene Escuro MS RD LD CNSC</i> (1.5 CE, O)
1700-2000	Grand Opening Exhibits with Dinner

FRIDAY FEBRUARY 17, 2017

0730-0800	Registration
0800-1100	General Membership Meeting (Coffee/Tea/Juice Provided)
1100-1115	Break
1115-1245	Clinical and Scientific Advances in the Use of Cryopreserved Placental Membranes in Complex Wounds <i>Michael B. Hurwitz MD FACS</i> (1.5 CE, W)
1245-1345	The Use of Viable Placental Membranes in Complex Wounds <i>Michael B. Hurwitz MD FACS</i> (Lunch Provided) (0 CE)
1345-1545	Open Exhibits
1600-1800	The WOC Nurse Role in Ostomy Challenges: Clinical and Economical Approches <i>Janet Stoia-Davis RN CWOCN CFCN</i> (2 CE, W, O, P)

SATURDAY FEBRUARY 18, 2017

0730-0800	Registration – Breakfast on Own
0800-1000	The Mine Fields of Pressure Ulcer Prevention and Management <i>Sandra Higelin, MSN, RN, CNS, CWCN, CLNC</i> (2 CE, W, P)
1000-1015	Break
1015-1145	Urinary Incontinence <i>Tina Keller FNP</i> (1.5 CE, C)
1200-1330	Deep Tissue Pressure Injury: A New Approach for Early Identification and Intervention <i>Dr. James G. Spahn, MD, FACS</i> (Lunch Provided) (0 CE)
1330-1530	Open Exhibits
1545-1715	Edema Solutions in Wound Care <i>Claudia Steele-Major PT, CLT-LANA</i> (1.5 CE, W)
1715-1730	Closing Remarks

SUNDAY FEBRUARY 19, 2017

Post Conference Workshop: Sharp Debridement of Wounds

Program Objectives

Participants will be able to:

1. Identify anatomical structures in areas common to sharp debridement of wounds
2. Perform 3 techniques of sharp debridement using scalpel and scissors:
1. Saucerizing of callus 2. Scoring eschar 3. Removal of necrotic tissues
3. Know contraindications to sharp debridement

0730-0800	Registration – Breakfast On Own
0800-1200	Sharp Debridement <i>Carrie Sussman DPT</i> (2.6 CE, W) (Break/Refreshments Included)

OSTOMY SUPPLY DRIVE

Do you have an abundance of ostomy supplies donated by your patients? Are you looking to clean out your plentiful closets and storage areas? Bring them to the PCR Conference in Newport Beach! Please remove all pouches and wafers from their boxes and neatly place them into Ziploc bags. These pouches will be boxed up and shipped to Friends of Ostomates Worldwide USA (FOW-USA).

FOW-USA is a non-profit organization that collects donated ostomy supplies and sends them to those in need worldwide.

Items that are accepted are as follows:

- One-Piece Appliances
- Two-Piece Appliances (even if you don't have matching pouches and flanges)
- Skin Barrier Paste, Rings and Strips
- Ostomy Belts

REGISTRATION INFORMATION

Space is limited. Therefore, pre-registration is recommended. Please dress in layers as temperature can vary in the meeting rooms.

Registration fee includes handouts, CEU certificate, 3 lunches and 1 dinner. Receipts for registration by mail will be available electronically upon request only. No confirmation of receipt will be sent.

Cancellation and refund policy: A refund minus a \$25 administration fee will be made if written cancellation is postmarked by January 16, 2017.

HOTEL INFORMATION

Hyatt Regency Newport Beach
1107 Jamboree Rd.
Newport Beach, CA 92660
949-729-1234

\$173 Single/Double Occupancy plus 13% room tax. The PCR has opted out of resort fees for the group, however, if you should choose to opt-in to take advantage of resort amenities, you may do so at time of check-in. To reserve your room, please call 888-421-1442 and reference group name “PCR” or reserve online at <https://resweb.passkey.com/go/PCRN>. Please make your reservations prior to January 20, 2017 (subject to availability) for reduced conference rates. Self-parking at the hotel is complimentary if you are registered as a guest of the hotel under the PCR WOCN room block.

Note: Please support the PCR by staying at the Hyatt Regency Newport Beach and by making reservations through the above link. By making reservations through a third-party vendor, you may be subject to mandatory resort fees and/or other additional fees.

Airport Transportation

John Wayne Airport (SNA) is the closest airport to the Hyatt Regency Newport Beach.

The hotel has a complimentary shuttle service hourly between SNA and the hotel. If flying into another airport, alternate transportation will need to be arranged.

TRANSPORTATION

The hotel offers complimentary shuttle service to Balboa Island and Fashion Island every 2 hours. There is on-site car rental with Hertz.

Conference Registration

Name	Company Name
Credentials	Company Address
RN License Number	Work Phone
Phone Number	Email

FULL CONFERENCE REGISTRATION FEBRUARY 16-18, 2017

Type	Early Bird	Post-Marked After January 16, 2017	At the Door
Pacific Coast Region WOCN Member	\$240 †	\$265	\$295
Non-PCR WOCN Member *	\$265 †	\$290	\$320
Student **	\$200 †	\$225	\$255

† At time of registration check-in at the conference, you will receive a \$30 cash gift card to use for **breakfast on your own**. On-site there is a lobby kiosk/ bar that offers breakfast foods and a restaurant, in addition to room service. This is only available to those registering for full conference at the early bird rate.

ONE-DAY ONLY REGISTRATION (FEES BELOW ARE PER DAY)

Check the day(s) that you will attend: ☐ Thursday, February 16 ☐ Friday, February 17 ☐ Saturday, February 18

Type	Early Bird	Post-Marked After January 16, 2017	At the Door
Pacific Coast Region WOCN Member	\$120	\$135	\$155
Non-PCR WOCN Member *	\$130	\$145	\$165
Student **	\$100	\$115	\$135

Accompanying Person(s) for dinner only on Thursday night – \$100 each

Name(s):

POST-CONFERENCE WORKSHOP CONSERVATIVE SHARP DEBRIDEMENT: SUNDAY FEBRUARY 19, 2017

Type	Early Bird	Post-Marked After January 16, 2017	At the Door
Pacific Coast Region WOCN Member	\$130 †	\$160	\$170
Non-PCR WOCN Member *	\$160 †	\$190	\$200

† At time of registration check-in at the conference, you will receive a \$15 cash gift card to use for **breakfast on your own**. On-site there is a lobby kiosk/ bar that offers breakfast foods and a restaurant. This is only available to those registering for the post-conference workshop at the early bird rate.

* A Non-PCR WOCN Member is a clinician who may be a WOCN Member but is affiliated with a different region or a nurse who is not a WOCN Member.

**Students are those studying to become a registered nurse. Students must show proof of student status (e.g. student ID, letter from faculty on school letterhead or copy of current enrollment).

Make checks payable to Pacific Coast Region of the WOCN. Checks are the preferred method of payment.

Please send to:
Maureen Dwyer
229 North Ave.
Aptos, CA 95003

Registration online at <https://www.regonline.com/PCR-2016> will also be available beginning December 1, 2016 if you would like to pay by credit card.

CONTINUING EDUCATION

Provider approved by the California Board of Registered Nursing #03602. The 2.5 day program provides 15.0 contact hours. The post-conference program will provide an additional 2.6 contact hours for the Sharp Debridement Workshop.
