PCR Board of Directors.

Once more, top Four Reasons to take another look and consider stepping forward to serve are:

- Your support allows for the Pacific Coast Region of the WOCN® Society to continue promoting high standards for all WOC nurses.
- Leadership role provides PGP points toward WOCN re-certification.
- Regional Offices can help you to prepare for National Office
- Great networking, mentorship, and an opportunity to help guide PCR WOCN®.

Also, there was a question on whether PCR Conference expenses reimbursable for Board Members.

The answer is yes 😊

Respectfully,
