

Week 16

Get In Position

2 Corinthians 20:17 says “ You will not need to fight in this battle. Position yourselves, stand still and see the salvation of the lord who is with you...”.

Eventually in your Walk with God, you realize the importance of actually believing & applying Gods word to your life as you grow in intimacy with Him. He begins to sanctify us, speak to us, & elevate us through our renewed mind and spirit He gives us as we spend time with Him. We realize His timing and plans for our lives, and once we desire them above all else, He begins to align our desires with His. He begins to walk us into our purpose & equip us to handle what He has

called us to do. Today we will discuss the importance of our position. Once you are in tune with the Holy Spirit, He begins to guide and direct us so we are in the right place at the right time to obtain His divine connections, promises, and favor He has created in our lives.

We can't change our hearts in our own efforts, only God can. This is why full surrender is important to our position. It creates intimacy, sensitivity, and heightened communication between us and the Holy Spirit. He can guide us into the places, to the people, and opportunities to bring us to the peaks of the plans He has for us. God must be first. We must desire our relationship with Him above all else, and guard our hearts from the things that could get in the way of that. He loves us more than anyone ever could. He has beautiful plan for us and those attached to us. Once we are aligned with Him, everything else falls into place.
