Hi, I'm Michal!

SPEAKER | PODCAST HOST | FOUNDER

Michal Renee is a Speaker, Coach, Podcast Host, and Founder and CEO of Her Promise Circle LLC Women's Wellness Community. Professionally, She works in Critical care as a Registered Respiratory Therapist .

At the foundation of everything Michal is involved in is her Faith. She truly believes without God her story would not be possible. Her Promise Circle was birthed out of a place her faith became her lifeline, and she wanted to share her journey of healing, purpose, and overcoming with women who felt just like her.

She now coaches and mentors women with their wellness and faith in mind. She believes every woman should have the resources available to pursue their God-given purposes while maintaining a healthy mind, body and spirit.

This is the message that her podcast is founded on as well. Her Promise Circle Podcast features Michal deep diving into what the Word of God says, but makes it relatable to everything from our everyday trials to unpacking the roots of our trauma. No matter what platform, she believes what is most important is helping women find the thing they were created for and creating the healthiest version of themselves to pursue it.

SPEAKING TOPICS

- ✓ Michal's faith in God is the foundation of her story. If it weren't for God, she wouldn't be where she is today. That includes the continuous journey of her healing and walking in the purpose He meant her for.
- ✓ Women's Mental Health has not only been an important topic in today's society but in Michal's personal life. She is open about her struggle with Generalized Anxiety Disorder and the methods she now lives by to overcome it daily.
- ✓ Michal is not shy about her past. It has been through the roughest moments in her life that she learned the most. They have made her the woman she is today. She stands on the fact God can even use trauma to work out for our good in the end.

Client Testimonials

I couldn't be more blessed to be a part of this group while it flourishes into everything god has planned for it. Michal has a way with words and she alone can turn your day around with her bubbly personality. His hands are on her promise circle.

Mariah D.

I did one-on-one coaching with Michal and she listened to ME. Not a bible thumper. A woman of God with empathy. A woman of God that has experienced what I have experienced. ... She also gave me that time to help me self-reflect. ...God has major plans for this woman and she is fulfilling her purpose. I thank God everyday for this group and their love.
