

Versity 92 Series

Spectralink's Versity 92 Series mobile solution delivers voice-critical communications and leading workflow applications in a sleek, compact, durable, and cost-effective enterprise-grade smartphone.

Versity 92 Series is designed for mobile workers with voice-critical communications. Combine your scanner, walkie-talkie, badge, and cell phone into one streamlined solution that weighs significantly less than the competition. This latest addition to our Versity family features applications for task management, inventory, loss prevention, and employee safety and is the one device your mobile workers should have in hand.

Benefits:

- Give your mobile workers a device that's as intuitive, versatile, and portable as their personal smartphone—but with the power and durability of an enterprise device.
- Enable more effective communication and collaboration with crystal clear voice quality and no dropped calls.
- Empower your teams to deliver superior customer experiences by giving them the information and tools they need at their fingertips.

One Device for Communication and Collaboration

Versity 92 Series is a compact, all-in-one communication solution that allows users to respond to customer requests quickly and to collaborate easily with colleagues, reducing chatter and focusing on what's important. Versity 92 enables unified communication and collaboration, voice, chat, conferencing, scanning, Push-to-Talk, SAFE applications to protect your employees, and much more.

Open Platform for Optimized Workflow Applications

Mobile applications available for the Versity 92 Series capture real-time data such as business inventory, employee efficiency, and customer satisfaction, resulting in increased net revenue and productivity. The mobile applications from our world class partners also reduce manual work, manual documentation, and manual errors, and foster a more personalized customer experience (BOPIS, click and collect, mPOS, assisted selling, etc.)

Use cases:

Healthcare: non-clinical staff such as porters or maintenance have clear voice communication in a crisis environment and have access to less data intensive workflow for job efficiency through App integration

Retail: front-of-store employees can engage customers in more personalized experiences to improve customer satisfaction and brand loyalty

Manufacturing: operations teams are able to rapidly respond to production challenges and increase overall equipment effectiveness (OEE) and decrease downtime

With Spectralink you get:

- A market-leading reputation in enterprise wireless voice. With our unique noise suppression and echo cancellation capabilities (Voice Quality Optimization, or VQO) you get crystal clear voice quality with no dropped calls
- Access to our world-class ecosystem of application partners to ensure your workers have the tools they need to get the job done
- The best call control UC interoperability in the industry
- Supported by AMIE, our mobile intelligence platform, for easy deployment and fleet management to ensure you get the most out of your mobility investment

Familiar and User-Friendly Design

- The Versity 92 Series features a 4" touch screen. Measuring only 5.2" tall and weighing 6.35oz, it is sleek, compact, and ultra-portable for the mobile worker.
- Durable, IP65 rated. Resistant to dust and liquids, the Versity 92 Series helps achieve optimal performance in most environments.

Mobile Device Management

With AMIE, Spectralink's enterprise mobility intelligence solution for IT and telecommunications administrators, your customers can avoid downtime and optimize operations. Your customers can easily manage their smartphones, diagnose fleet issues, and assess call performance to keep their mobile workflows operating smoothly.

Specifications

MODELS

V9240 Wi-Fi Smartphone

V9253 Wi-Fi Smartphone w/ barcode scanner

Operating System

- Android™ OS 10.0 (Q) at Release
- SDA450 Qualcomm Processor (8x A53 Core @1.8GHz)
- 32G FLASH eMMC, v5.1
- 3GB LPDDR3 RAM

Display

- 4.0" 800x480 display
- Dragontrail™ glass
- Luminance >310 cd/m²

Touchscreen

- 2 touch – bare or gloved fingertip (latex-nitrile gloves)
- Wakeup with double tap feature
- Oleophobic protective coating

Wireless Connectivity

- Wi-Fi 802.11ac, 2x2 MIMO, WFA Certifiable
- Bluetooth 4.2
- NFC, ISO 14443, Tag Types 1-5
- Support for Spectralink Voice Quality Optimizations (VQO)
- WPA2-Personal, WPA2-Enterprise with OKC and CCKM, EAP-PEAP, EAP-TLS, EAP-TTLS

Audio

- Handsfree Loudspeaker: 74db SPL @ 50cm
- 3-mic, echo cancellation, noise suppression, ultrasonic range
- Receiver Adaptive Active Noise Cancellation
- Audio jack (3.5mm), 4-contact, CTIA and OMTF

Battery/Charging/Talk Time

- 3040 mAh (shift replaceable battery pack)
- External Phone Charging Contacts (3-pin)
- RTC backup cell
- Talk time (using Spectralink BizPhone): up to 14 hours

- Standby (connected to Wi-Fi): up to 184 hours

Weight/Dimensions

- Weight: 6.35oz (non-scanner), 7.1oz (scanner); 180g (non-scanner), 200g (scanner)
- Dimensions : 5.2" x 2.6" x 0.5" (0.79" bump out with scanner); 133mm x 66mm x 13.5mm (20mm bump out with scanner)

Sensors

- Accelerometer, Gyroscope, Magnetometer, Proximity, Ambient Light.

Cameras

- World Facing Camera 8MP Autofocus w/flash
- Front Facing Camera 2MP Fixed Focus

Barcode Scanner

- Industrial 1D/2D
- Illumination: White (5700K)
- Aiming beam: Green dot (521nm)

Wired Data Interface

- USB3.1
- Type-C Connector

User Interfaces

- Buttons: Power, Alarm, Volume up/down
- 2x user configurable buttons
- RGB LED notification (diffused)
- Vibration (motor >1.4g peak)

Dust/Liquid Resistance

- IP65 – protects against dust ingress and water resistant

Durability

- Exceeds MIL-STD-810G drop test – 1.5 meter onto steel plate
- Chemical and Disinfection resilience
- UV Sanitization

Environmental

- Operational temperature range: -10 to 50° C
- Storage temperature range: -40 to 70° C

Real-Time Location Services (RTLS)

- Integration with all available sensors
- Integration with Wi-Fi and Bluetooth for low power scanning

Charging/Accessory Support

- Desktop phone charger
- Desktop dual charger (phone/battery)
- 6-bay phone charger
- 6-bay battery charger
- Phone Belt Clip Holster
- Phone Holster
- Scanner Trigger Handle
- Wrist Strap/Lanyard

Enterprise-Grade Device Management

- Advanced Mobile Intelligence for Enterprises (AMIE™)
- Integration with major EMMs (e.g. VMware WorkspaceOne, MobileIron UEM, Microsoft Intune, SOTI MobiControl, Cisco Meraki MDM and IBM MaaS360)
- Advanced Logging and Phone configuration Features

Partner Applications

- List of application partners at spectralink.com/about/partners/mobile-applications/

Additional Features

- Enterprise-grade security options
- Push-to-Talk (PTT)
- SAFE features (Alarm button, motion detection)
- BizPhone Dialer
- Programmable Buttons
- Over-the-air configuration settings and updates
- **PBX integration** (SIP direct, gateway)
- Multilingual user interface

About Spectralink

As an award winner in mobile technology, Spectralink has been transforming the way our customers work and communicate for 30+ years. Through our determination to do extraordinary things, we enable mobile workforces and empower our customers and partners to explore what's next, what's possible. With our enterprise grade, best-in-class mobile solutions, we are with our customers wherever they work, however they need us. Our people, commitment to innovation and our passion are our foundation for success.

Versity 92 Series Chargers and Accessories

Versity 92 Multiple Handset Charger 6X

Can fit up to a total of 6 smartphones and includes a power supply.

Part # ACH9200003*

Versity 92 Desktop Dual Charger

Charges one Versity 92 smartphone and one spare battery pack. Does not include power supply*, order separately.

Part # ACH9200101

92-Series Desktop power supply:

Part # APS9200000 (NA)

Part # APS9200300 (UK)

Part # APS9200500 (EU)

Part # APS9200700 (AU)

Versity 92 Desktop Multi Battery Charger 6X

Can fit up to a total of 6 Versity 92 smartphone batteries and includes a power supply*.

Part # ACH9200002

Versity 92 Desktop Charger

Charges one Versity 92 smartphone. Does not include power supply*, order separately.

Part # ACH9200100

Versity 92 Battery

Standard 3040 mAh replaceable battery that can be used with 9240 and 9253 smartphones.

Part # BLI9200100

Versity 92 Lanyard

Neck/wrist lanyard with quick-release for Versity 92 smartphones.

Part # ALY9200100

Versity 92 Scanner Trigger Handle

Scanner trigger handle for 9253 smartphone.

Part # AHN9253100

Versity 92 Belt Clip Holster

Rotating swivel belt clip holster for Versity 92. Available for both 9240 and 9253 smartphones.

Non-scanner version **Part # ACL9240100**

Scanner version **Part # ACL9253100**

Versity 92 Fabric Holster

Nylon fabric holster with swivel belt clip for Versity 92. Suitable for both 9240 and 9253 smartphones.

Part # AHN9200100
