"Just a note to thank you and your staff for a wonderful evening at my daughter's wedding. The food was fantastic, and the service was great! I brought the leftovers into work for my coworkers, and they loved it so much my boss is going to contact you! We are having a big conference at our plant in April and he is going to call you about catering the luncheon. One of the girls took her family to your place last night for dinner. They also loved it! Thank you again and you will see us lots in the future."

"We had a wonderful time at our Kolecki retirement party on Saturday, October 4th. The service and food were great and all of our guests just raved about the wonderful arrangements. The accommodations were terrific and we really appreciated the exceptional help from Julio and Olivia. The rest of the evening staff did an outstanding job as well. Thanks so very much for helping us to make this special occasion so fun and memorable."
