YOUR SUPPORT PROVIDES CRITICAL FUNDING FOR FOUNTAIN HILLS' NONPROFIT ORGANIZATIONS

TRULY ... A COMMUNITY EFFORT

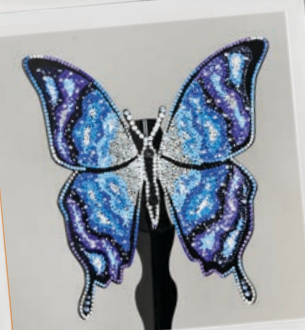

Since 1995, the Fountain Hills Community Foundation has given more than \$1.5 million to various educational, cultural, and humanitarian non-profit organizations in Fountain Hills and the surrounding communities. These grants, critical for growth and survival, allowed local organizations to provide enriching programs and services to both young and old.

Our largest fundraiser of the year, Flutter at the Fountain is a celebration of all things great about our community.

CELEBRATING HOMETOWN HEROES

This year's theme celebrates those individuals who passionately and selflessly make a difference with our nonprofit organizations. Like the Foundation's funding, the contributions these hometown heroes make are critical to keep things running smoothly. Be sure to visit our hometown hero webpage to see who our grant recipient organizations nominated for this 2025 honor.

THERE'S SOMETHING FOR EVERYONE

So ... whether you come for the food and stay to admire the art, or just want to enjoy a family day with the kids, we'd love to see you. There's something for everyone at this year's Flutter at the Fountain. And the best part is that however you choose to support this year's event, you'll be making a difference for those who need it the very most.
