STAGE 1: IDEATE

LESSON PLANS :

5 GROUP LECTURES+ 1:1 INDIVIDUAL COACHING +
WORKBOOK,

- IDEATE includes 5 sub lessons – Awareness, Emotions, identify, Outline, Understand.
- The 5 lessons in Stage 1 gives a thorough mindset tracking of what the individual likes to do and can pursue in their entrepreneurial journey.
The stage empowers them to identify the right business path, put a structured outline and gather insights and understanding of the SWOTs in this field.
- The successful completion of this stage enables them to choose a specific product or service that they want to offer to their niche, in their business venture.

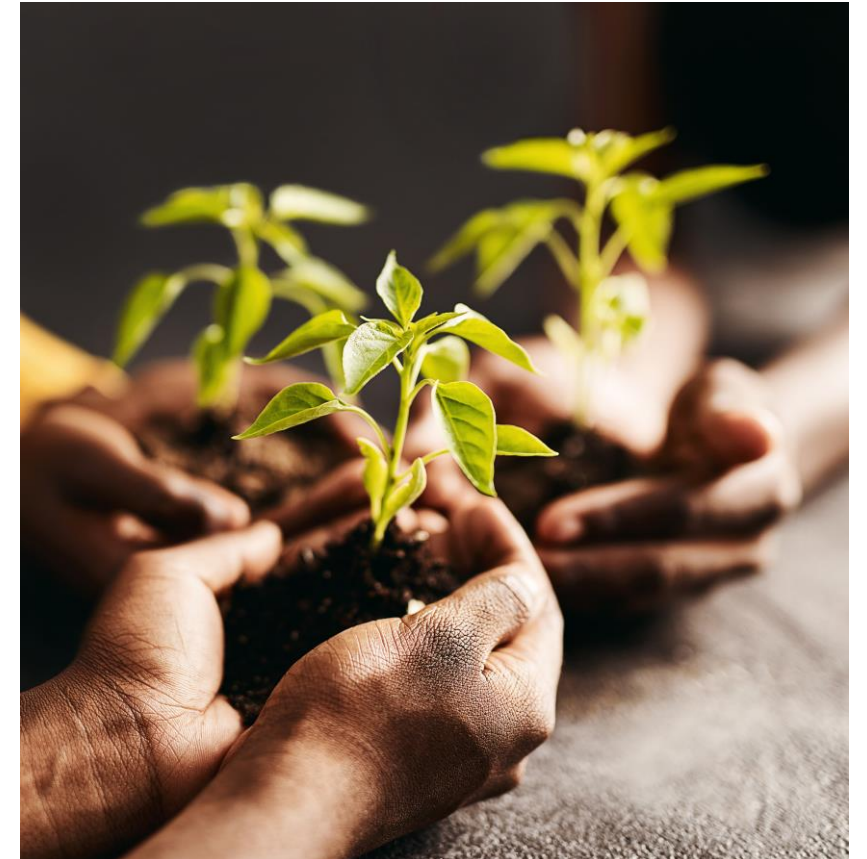

STAGE 2 : CREATE

LESSON PLANS :

7 GROUP LECTURES + 1:1 INDIVIDUAL COACHING + WORKBOOK

- Includes 7 sub lessons – Delivery & Discipline, Effort estimation, Sincerity & Sacrifice, Timeline, Invest, Yield results
- The 7 lessons in stage 2 gives a thorough behavioral and habit shaping enabling the individual to take their idea to create the paradigm that will shape their reality. **This self empowerment stage aligned to professional development builds the foundation to their mindset & behavioral shifts that will enable them to achieve through minimized trials and errors.**
- The successful completion of this stage enables them to form habits, behaviors and an action implementation disciplined life that takes them work towards their goals and business objective in strategic, systematic way, with set timelines and milestones to achieve.

STAGE 3: BUILD

LESSON PLANS :

5 GROUP LECTURES + 1:1 INDIVIDUAL COACHING

- Includes 5 sub lessons – Systems, Communication, Actions, Learning, Execution/Evaluation,
- Stage 3 is the building phase where the young entrepreneurs will be creating their MVP or Minimal Viable Product, building it with organic systems and tools and best practices on people and processes or platforms.
- This stage will also serve as the testing phase where learners will build their product / service and also get the chance to test it within their organic audience or niche before exploring possibilities in the market.
- The successful completion of this stage enables them to build their MVP, test their venture in the organic market, learn from others, collect feedback and make changes as needed before they go to market.

STAGE 4 : PROMOTE

LESSON PLANS :

5 GROUP LECTURES + 1:1 INDIVIDUAL COACHING + PROMOTIONAL CALL

- Includes 6 sub lessons – Resources, Educate/ Evaluate, Validate, Affiliate, Market & Promote
- Stage 4 is the time to start taking their product or service to the market. Beyond the testing phase, it is the time they can introduce their offer to their niche.
- In this stage, the learners will be meeting their guest lecturers who will share insights and tools about smart and spiritual selling that will empower them to learn how to sell energetically.
- Learners will also get the chance to promote their offers as business affiliates and social media marketing.
- The successful completion of this stage enables them to take their product to market and promote it, which means by the time they end their course and complete their project, their business is client ready and is open to start making money from their offer which is now a reality.

Shrabonee is a passionate and reliable individual, who contributes positively to all she does. And she's very patient too!

TESTIMONIALS

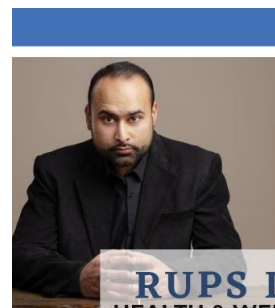

REAL PEOPLE

REAL GROWTH

Shrravonii was immense in her very quick grasp of understanding me, my background, my businesses and where I wanted to be. She explained her detailed plan very simply and in a structured methodical process. She made me aware that I would benefit from growing my online impressions, building a multi-platform presence and to get noticed before announcing myself to the world as an expert in the hope for leads and new clients. We are in the early stages of a programme, and I am so excited for what lays ahead. With Shrravonii's expertise I am absolutely confident of achieving our goals together for many years to come. I highly recommend to anyone interested in turning their hobby or passion into a business, to not hesitate in contacting Shrravonii and signing up to one of her training programs.

September 12, 2020, Arjun Mukund work with Shrravonii on the same team

Shrabonee was one of the best consultants I I for my company. During the initial challenging phase of my company's growth and development, Shrabonee played a key role in establishing our brand by connecting us with some key customers. She was very dependant in all the assignments that she was entrusted with

Shrabonee has been very focused and dedicated towards any initiative or any role that she has taken up. She has been a great colleague who is well versed with the cognitive aspects professional learning & development programs. She also displays excellent leadership skills and brings in a lot of value to the team in terms of collaboration. Shrabonee is extremely capable of driving a team with full of positivity and energy in order to meet their goals collectively.

Prof Dr Bodhisatva Acharya

7 August 2023

After having worked with "Growth-blueprint.com" I felt Excellent, Impressive and Best in all manners. It's really one of the best platform to grow up in knowledge and skills for the betterment and development not only as individual but as an organisation too. I wish All Good Luck for the future endeavours of "Growth-blueprint.com"

I am delighted to endorse the exemplary training service that has significantly impacted my entrepreneurial journey. The market strategy training has propelled my startup into a profitable organization. The personalized guidance and expertise from Shrravonii has honed my business acumen, allowing me to navigate complexities with confidence. I highly recommend this remarkable training service to aspiring entrepreneurs seeking unparalleled growth and success. It has been an invaluable catalyst for my business, and I remain deeply grateful to Shrravonii for the transformative experience she has provided.

I'm thrilled to see that Shrravonii has meticulously researched and developed the programs on Entrepreneurship Development, Leadership Development and Life Coaching. I particularly like the Business Blueprint Model for budding entrepreneurs that she has created with more than 18yrs of global experience. Highly recommended.
