Hello PPCA Family and Friends:

It has been another fantastic year at the pool with more people than ever joining in on the fun. Swimming and making new friends at the pool seem to be the theme of this summer. The Pool committee would like to thank all of our fellow campers who have enjoyed the pool, kept the area clean, and helped take great care of the pool this year. With the cooperation of all of our families, we were able to enjoy the season and will continue until the weather no longer cooperates. Special thanks go out to Rich Honhold for fixing our umbrellas when they were not looking their best.

With our monies this year, we were able to get a new sound system for the pool. Special thanks to our maintenance man Brad as he assisted us with this. We would like to also thank everyone again for partaking in our events such as pool appreciation night and our favorite Adult Slushies night. A special thank you goes out to Shawn Werner for allowing us to use the slushie machine. Also, many thanks to those who also helped to keep our pool safe and clean this season for whom I forgot to mention.

We are hoping to get some new chairs and tables with the monies we have on hand for next year to ensure another great season in 2022. This is a very popular attraction for our members and their guests and we would like to keep it that way. Again, thanks to all who took advantage of our pool this year. We hope to see even more of our fellow friends and family enjoy the pool next year and participate in our events!

We hope to see you all at our Comedy Show on October 2nd. We like to thank everyone who bought a ticket, because this is now sold out!!!! Special thanks also go out to our pool committee members who did an amazing job this year ie: Diane, Jo Lynn, Mr. Hough, and Dana. Also a very special thank you to our pool liaison, Debbie. Cheers to a great season!!!!

Thank You From The Youth Committee

A note of appreciation from the 2021 Youth Group Committee:

On behalf of the committee members, it is my pleasure to thank all of our camp families who volunteered their time, donated funds or items, and shared their littles" with us during this amazing season. We truly enjoyed the activities we did for our camp "kidz" and are already looking forward to next year's events.

As we begin planning for the new year, please know that this is a committee where all campers are welcome and invited to participate. Feel free to sign up at any time or contact any of the committee officers with your interest and suggestions. I have stepped down from chairperson to keep the ideas for youth activities and events exciting and fresh. We have such talent and diversity in our park, please consider sharing yours with the Youth Group. We hope that all of you know how much your input is appreciated.

As the outgoing chairperson, I promise to remain an active participant on the committee. Most of all, I will always be an advocate for our youth; young and old! I leave you with one of my favorite "life" quotes; "We do not stop playing because we grow old, we grow old because we stop playing." I hope you will all be forever young and never stop playing.

I truly believe that the children are our future and that we teach by example. I thank you from the bottom of my heart for your support and hope it continues always.

Wishing you a safe and healthy winter. See you in the spring!

With love and warm regards,

Susie Janosko

As I go into my sixteen years of Bocce at PPCA I want to thank all Shareholders that supported Bocce. As most of you know I will be stepping down as Chairperson, of the Bocce Committee, to enjoy PPCA and play Bocce.

As long as I am a shareholder I will be active as a member of Bocce. This year we will complete our Bocce Complex. It has been a long ride to get where we are today, but couldn't have done it without you. 100% of the building has been paid for by the individual donations by shareholders, Bocce Tournaments, and other PPCA Committees (from their Fundraisers).

Thanks to all the board members and volunteers over the years that made this possible.

Bocce is an awesome venue for raising money. Look what we shareholders did for PA Wounded Warriors, \$85,000 dollars in five years. If you have a charity or need to support a family in need, talk to the Bocce Committee to have a "Roll For Cash" Tournament. But you need to participate in organizing the event.

Let us not forget the Bocce Complex is for all shareholders of all ages. The Bocce Committee reserves certain days for their Bocce League play and Tournaments.

Again thank you all for being the "PPCA Family" that you are.
