C2K SECURITY

More about us...

C2K Security was created to meet an increased demand for security guards. We have nearly 20 years of expertise in the field of security. Our parent company; Centre 2000 de Formation Professionnelle has trained more than 10,000 security guards since 2003. Our security agents are trained from A to Z in our facilities and are trained according to the highest standards of Private Security.

Our top priority is your safety.

Our Mission

Ensure the absolute safety of the contracted place.

Provide professional and quality services.

Provide qualified, competent and courteous staff.

Continuously oversee our operations in the field.

**Do you need security guard(s) to keep your customers, employees and even your facilities safe?
We have the solution for you and your team.**

OUR AGENTS:

Are holders of their licence issued by the Bureau de la Sécurité Privée (BSP) and are certified in first aid in the workplace CNESST.

We also have agents who are qualified in self-defense techniques and certified in site surveillance and control (ASP).

More...

Our agents are qualified in the techniques of communication and customer service in accordance with our motto:

“The customer first”.

Our agents are supervised 24/7.
