### “hide in God”

#### Objective

- Hiding in God means trusting Him when we are scared, sad, or unsure.
- God’s word is our lamp, anchor, and sword. It keeps us strong and ready for purpose.

Thou art my hiding place; thou shalt preserve me from trouble; thou shalt compass me about with songs of deliverance.”  
(Psalm 32:7)

You are my hiding place

### 🦋 The Life Cycle of a Butterfly - God's Hiding Stage

#### Egg - The Beginning

- Just like a butterfly starts as a tiny egg, our lives begin with God's plan already inside us.
- Lesson: God sees potential in us even when we are small and unnoticed.

#### Caterpillar - Growth

- The caterpillar eats and grows, preparing for what's next.
- Lesson: We grow by learning God's word and being nourished by His truth.

#### Cocoon (Chrysalis) - The Hiding Stage

- The caterpillar enters a cocoon, hidden away from the world.
- It looks like nothing is happening, but inside, transformation is taking place.
- Lesson: This is like the seasons when God hides us for healing, protection, and preparation.
  - Psalm 32:7 - "Thou art my hiding place; thou shalt preserve me from trouble."
  - Just as Moses was hidden in the basket and Jesus was hidden in Egypt, the cocoon is a safe place until the butterfly is ready.
