Frame It For Good
Preserve A Memory. Make A Difference.
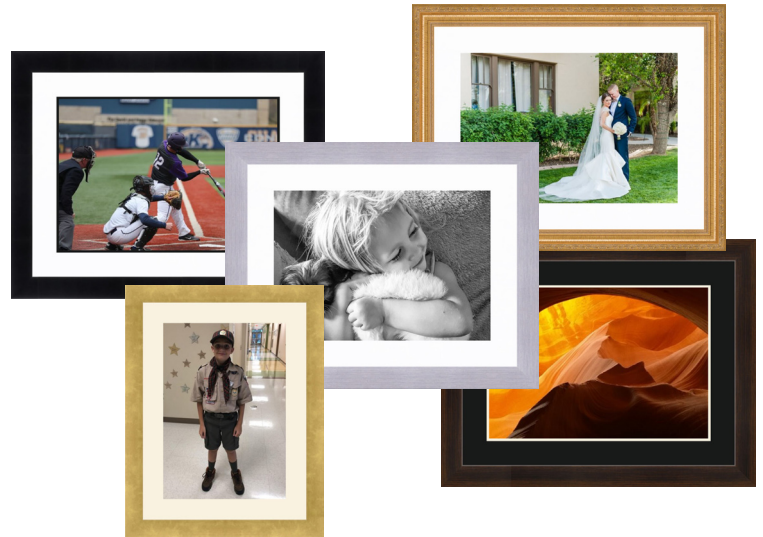

Social Media Messaging Tools

The logos, framed examples, and sample copy below are available here to help you as you create social media posts to generate awareness for your fundraising efforts. If you don't see what you need here, or if we can be of any help, please contact us at dmodean@frameitforgood.com or call 480-389-4065.

Logo

Sample Artwork

Remember, the key is to help users realize they can frame ANY artwork and still support your cause!

Copy Suggestions

- Preserve A Memory. Make A Difference.

- Support (**Your Organization Here**) by framing an image that you love and generate up to $10.00 per piece to help us!

- Frame your favorite image and help to support us! Visit www.frameitforgood/**Your Organization Here** to learn more.

- Frame your treasured memories and support our organization with up to $10.00 per order!

Instructions for Activating Web Links Within Your Social Media Posts

Open your organization's social media pages. Type your message and include your assigned Frame It for Good's personalized website address in your message and click post. The weblink will automatically direct your supporters to your order portal. Ask your followers to like and share the link!
