

### **Liquidax appoints Deann D. Morgan to its Strategic Advisory Board**

Liquidax is pleased announce that Deann Morgan has joined its Strategic Advisory Board. Deann most recently served at Blackstone as a Managing Director in the Multi-Asset Investing Group based in New York. Ms. Morgan was responsible for leading new product development and structuring initiatives, and was the Chief Operating Officer for Blackstone Multi-Asset Advisors.

Prior to joining Blackstone in 2013, Ms. Morgan focused on Merrill Lynch and US Trust private clients for seven years as Head of Alternative Investments Origination & Product Management and served as CEO of Merrill Lynch Alternative Investments. Prior to her AI role, Ms. Morgan spent seven years with the Merrill Lynch Investment Banking Financial Institutions Group based in Hong Kong. Before joining Merrill Lynch, she was a strategic consultant for Booz Allen & Hamilton's Financial Services Group based in Singapore.

Ms. Morgan received a BBA with high distinction from The University of Michigan, an MBA with high honors from The University of Chicago and is a CFA charter holder.

Ms. Morgan stated, "I've enjoyed learning about the Liquidax team's value proposition, and I look forward to continuing to work with them to leverage their unique position in this fascinating and evolving space."

Daniel Drolet, CEO of Liquidax Capital stated, "We are thrilled to have Deann on our Advisory Board. We look forward to leveraging her expertise as we develop superior private equity opportunities for investors, while simultaneously providing unparalleled advisory to corporate clients searching for strategic ways to maintain competitive strength and accelerate market growth in rapidly transitioning markets".

#### **About Liquidax Capital:**

The digital world is changing faster than ever and companies are struggling to keep pace while balancing shareholder expectations. Liquidax offers a low-risk approach for corporations to meet the technological, operational and financial goals they require to accelerate growth, increase competitive strength and drive value. Liquidax is an alternative asset management firm providing value-added innovation asset solutions for clients impacted by digital transformation while simultaneously providing investors with private equity opportunities that take advantage of a transitioning world.
