

Dear Friends in Christ,

We hope this letter finds you well. We are writing to you with an exciting opportunity that we believe will greatly benefit your congregation and community. On (day, date, time, place, address), we will have the privilege of hosting Karin Gunderson, an International English teacher, author, musician, songwriter, and founder of Heavenly Harp.

She will be delivering an unforgettable presentation titled "Lift the World: An Inspiring Experience of Love's Transformative Power." This enlightening and inspiring program aims to take us on an extraordinary journey to the Afghan heart and the refugee crisis. Through captivating stories, soul-stirring songs, and meaningful conversations, Gunderson will delve into the lives of those she has taught, revealing unimaginable bravery and strength. Her narratives will highlight the resilience, faith, and strength of the Afghan people, providing us with a brand new perspective on Afghans that is often overshadowed by news headlines.

One of the highlights of the program will be Gunderson's performance of uplifting songs accompanied by the enchanting sound of the harp. These melodies have the power to touch and uplift spirits. You and your congregation will find yourselves singing along, inspired by the universal language of love in music.

Gunderson strongly believes that true change starts with the individual and how we choose to value each person that exists. She says this can be as simple as a smile and a friendly “hello” in the grocery store. This program is not limited to any specific age group or background. Whether you are a parent, student, retiree, young adult, or a passionate advocate for change, "Lift the World" will leave you feeling motivated, enlightened, and ready to be a bright light in your everyday world.

Additionally, there will be books, CDs, DVDs, and heart-touching photos by an accompanying Afghan photo journalist available for purchase, further contributing to this cause.

We would like to extend a personal invitation to you, your congregation, and your community to join us for this unforgettable experience. Again, the presentation will take place on (day, date, time, place, address). Admission is free, and a free-will offering will be accepted to support this important work. You can find bulletin announcements to use as well as an 8-1/2 X 11 poster on Gunderson’s website at <https://christianharpmusic.com/promo>. Please join us in spreading the word!

Let us come together and create a world where every voice is heard and every heart is uplifted. We truly believe that this program will not only touch the lives of those in

attendance but also inspire us to make a difference in our own communities. Thank you.

Your family in Christ,
