Introducing a Fresh New Look for Lone Peak Ultimate

There's nothing like a new kit to get you excited to play ultimate! These new designs stay true to our roots while incorporating some new elements that reinforce school spirit and our Lone Peak Knights namesake.

JERSEYS

Secondary Logos

Knights must be equally proficient at attacking and defending. These new shoulder logos exemplify both O-Line and D-Line attributes while also paying homage to our tenure as a program as well as our incomparable founder, Dave Kroupa.

Introducing: Knight Mode

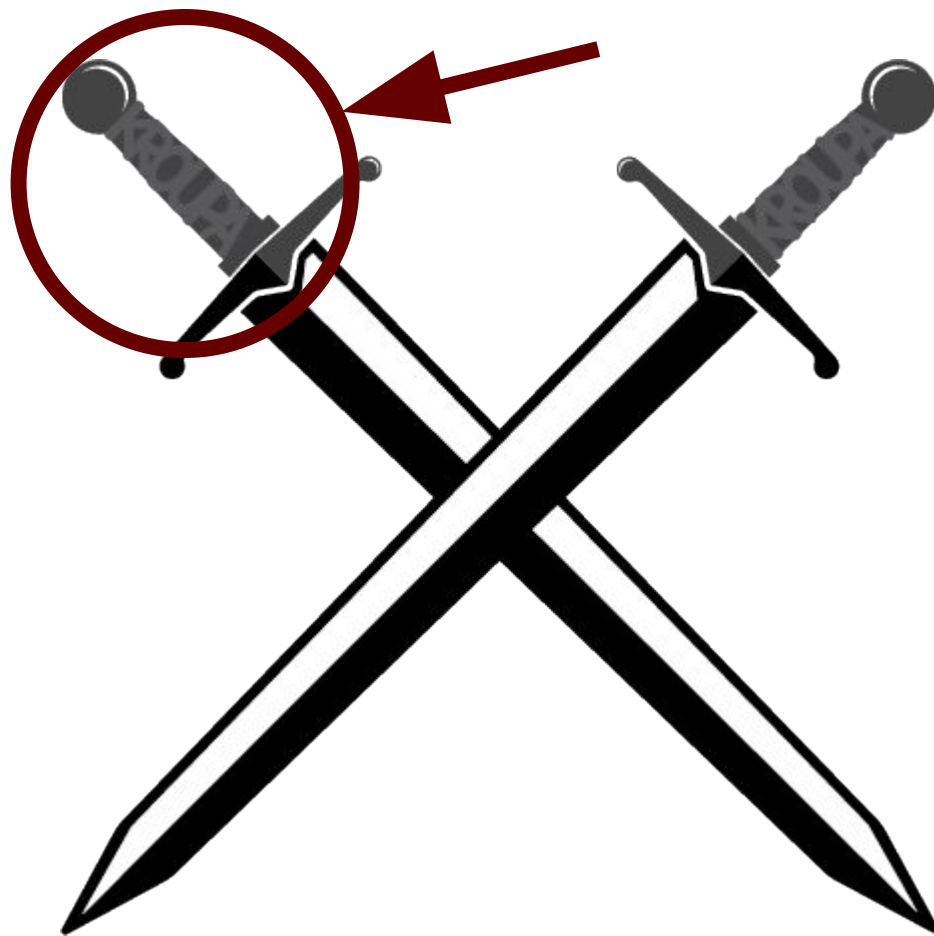

We are excited to showcase our new knight logo in a black-out design that is sure to be an instant favorite.

We wanted to create a subtle way to honor Dave Kroupa with our new jersey design.

With his permission, we added his name to the grip of the swords on our secondary logos.

Thanks Dave! We wouldn't be here without you!

Our program uses GroupMe as the primary way to communicate information between coaches, parents, and players. Make sure to download this app right away and join the appropriate channels. It's usually helpful for both parents and players to join the team chats.

After teams are created, there will most likely be a team chat set up between the players and the coach.
