RESIDENCY PROGRAM

Would you like Kisha's long-term presence on campus?

Let's discuss the Residency Program:

An extended stay during the academic year. The Poet-in-Residence meets individually with qualified students, gives public readings and engages in question and answer sessions.

The program is meant to honor the achievement of Kisha's poetry while providing your writers the opportunity to work with and learn from her distinguished talent.

\$18,000 - Per Semester

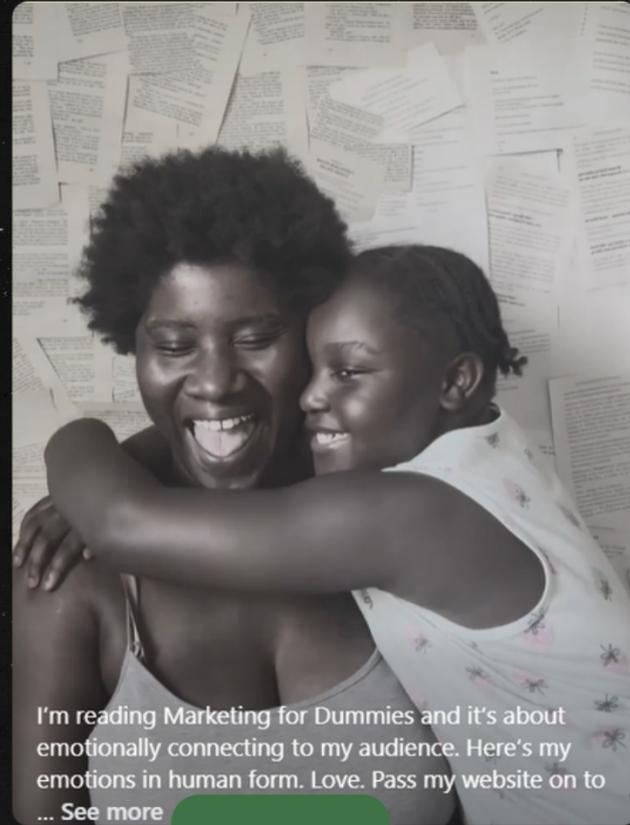

+ Travel & Expenses

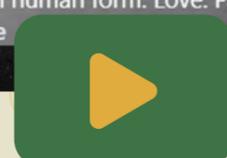

“Almost a year working with her, I approach my poetry with a completely different attitude. Her guidance allowed me to tap into my creative flow.” - *Fatimah Elzahrah*
