Dear Community Partner,

In 1964, the Churchville Recreation Council was established with a clear vision: to build a stronger community through play. It wasn't long after that the first "crack of the bat" echoed through Churchville, and baseball has been the heartbeat of our town ever since.

For over 60 years, our fields have been the training ground for more than just athletes. They are where thousands of local children have learned that success is earned through discipline, and that a community is strongest when it acts like a family. Today, that legacy continues with 350 participants, ages 4 to 20, but we need your help to keep the lights on and the bases loaded.

The Mission Behind the Game

As a 100% volunteer-run non-profit, our goal remains unchanged since the 60s: **provide a safe, fun, and accessible experience for every child.** We maintain 14 fields across 6 locations, and we never turn a player away due to financial hardship. However, with registration fees covering only about half of our costs, we rely on "Community MVPs" like you to close the gap.
